

PIERIAN

two visitors came from a faraway planet

into Richmond High

They came to earth to find a Theme

George and Oscar, that's what we called them anyway, had to find a theme for their yearbook, too. Sure they have yearbooks. They thought it would be clever to show us, of another planet, how their school ran. We liked this idea and decided to show George and Oscar around our school.

—Aerial by Larry Phillips

They learned that school life had three parts . . .

George and Oscar were interested that R.H.S. has three distinct divisions. Lu Pilgrim showed them the Mental side, "Sin" Olsen showed them the Social life and Ernie Olson (see page 108) told them of our Physical aspect in R.H.S. The best student, pardon me, pupil, will be able to identify his or herself in all the following groupings for the best student—er—oh well, participates in every subdivision of our school. For a pre-view turn the page.

The Mental Section

This section of the Pierian deals with fundamentals of any successfully operated school. It involves many essential ingredients.

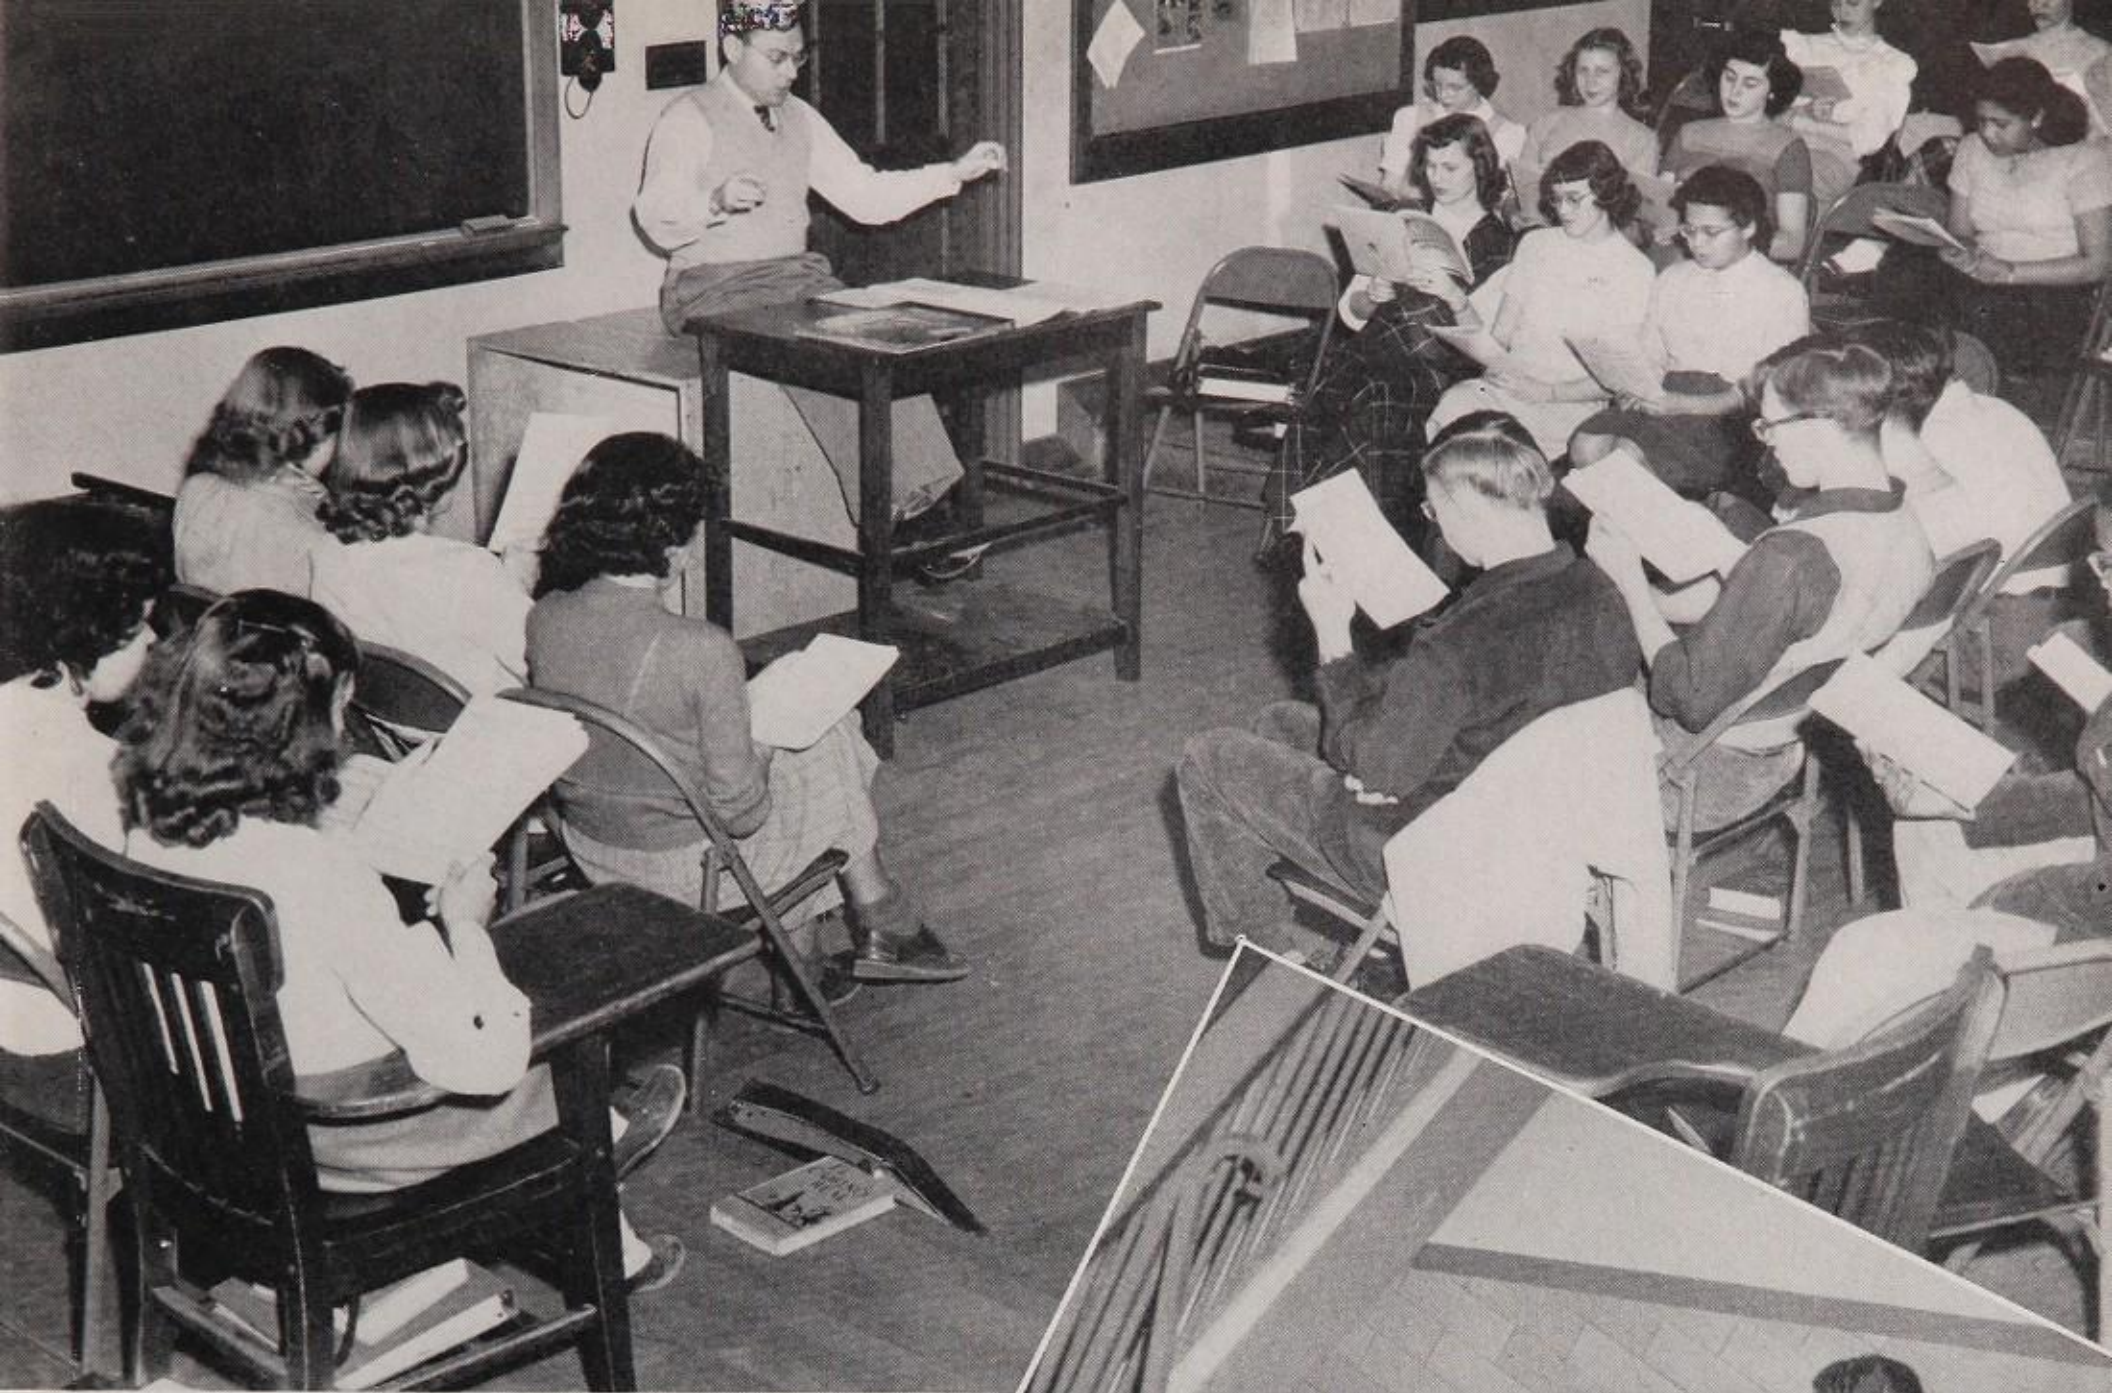

First of all is Jim Farmer, our hard-working principal, assisted by Mr. Hougland and Miss Erdahl, the class counselors, and the capable faculty; in addition, the librarians, Mrs. Lacey and Miss King, and Mrs. Harold in the Rental Room.

We must not forget, too, the beneficial policies and activities carried on by our Board of Trustees, headed by Mr. Garrison; the office staff: Mrs. Lane and Mrs. Davenport; and the cleaning staff and cafeteria staff, directed by Mrs. Hyne, which are also very essential for a progressive school such as R.H.S.

We cannot give too much credit to Miss Fornshell, who greatly helped organize the section and read proof.

Yes, the studies are included in this section, too, for it is they who enjoy the many activities and chances for a good education that are offered at R.H.S.

Social Column—R. H. S.

Who could ever forget . . . Daisy Mae and Lil Abner . . . Social Hall after school . . . the Commencement Dance

and the first orchid . . . the third (almost forgotten) act of "The Divine Flora" . . . the class of '50's Sock Hop?

And we'll all remember . . . the Music Departments concerts . . . Civic Hall on a basketball night . . . Easter devotions . . . the Christmas tree in Social Hall . . . the "Footlights of '49" . . . the 10B parties!

And then there were . . . football games . . . the Den on weekend nights . . . the twinge of pain when you had to stay at home . . . the Y-Teen Mardi

Gras . . . square dancing at the half of the Logansport game . . . the excitement of crowning the Queens at the Jr.-Sr. Prom and the Queen of Hearts Ball!

Physical Aspect

Ask yourself this question—"What would R.H.S. be without athletics?" It would be a pretty dull place wouldn't it?

I'll bet none of you ever had more fun than when you sat crowded together in hot Civic Hall, at our New Year's Tourney, watching Richmond down our arch rivals, Muncie Central, in an even hotter game.

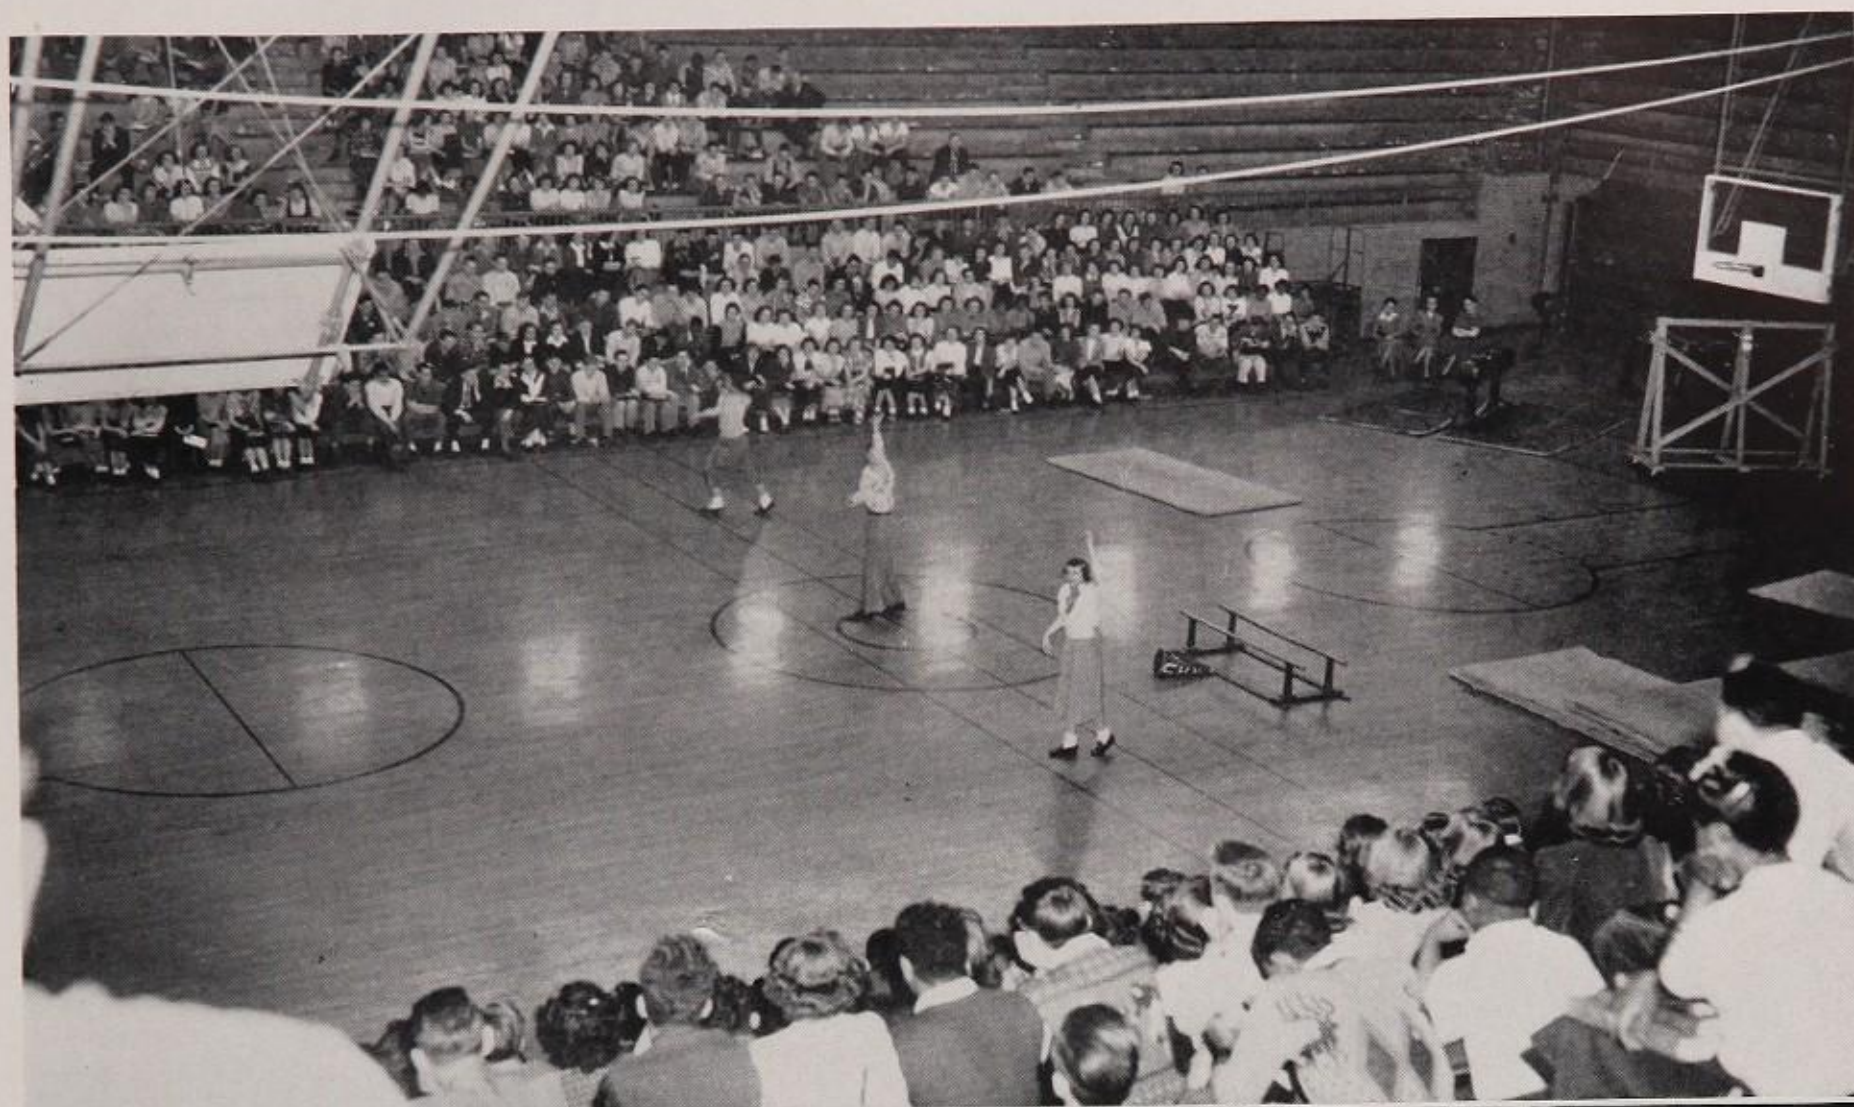

Or, remember the time we sat out in the stadium, in pouring rain to watch Richmond come from behind to tie the championship Lafayette Broncos in a thrilling, mud-flying football game.

Sure it was fun and you'd do it all over again if you had the chance.

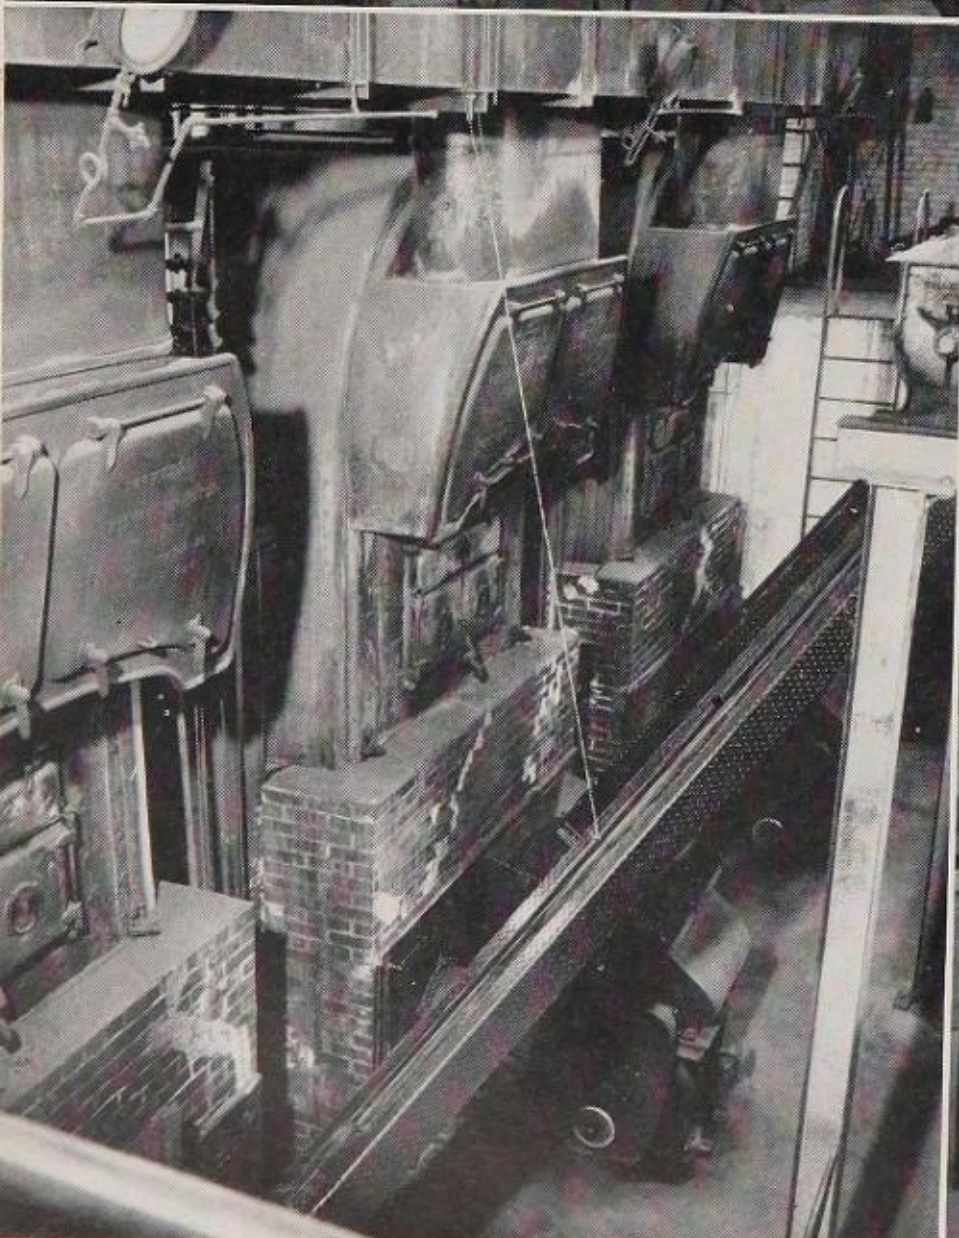

Athletics gives everyone the chance to learn how to work and cooperate together. It gives us the chance to meet our fellow man. It teaches us how to win as well as how to lose.

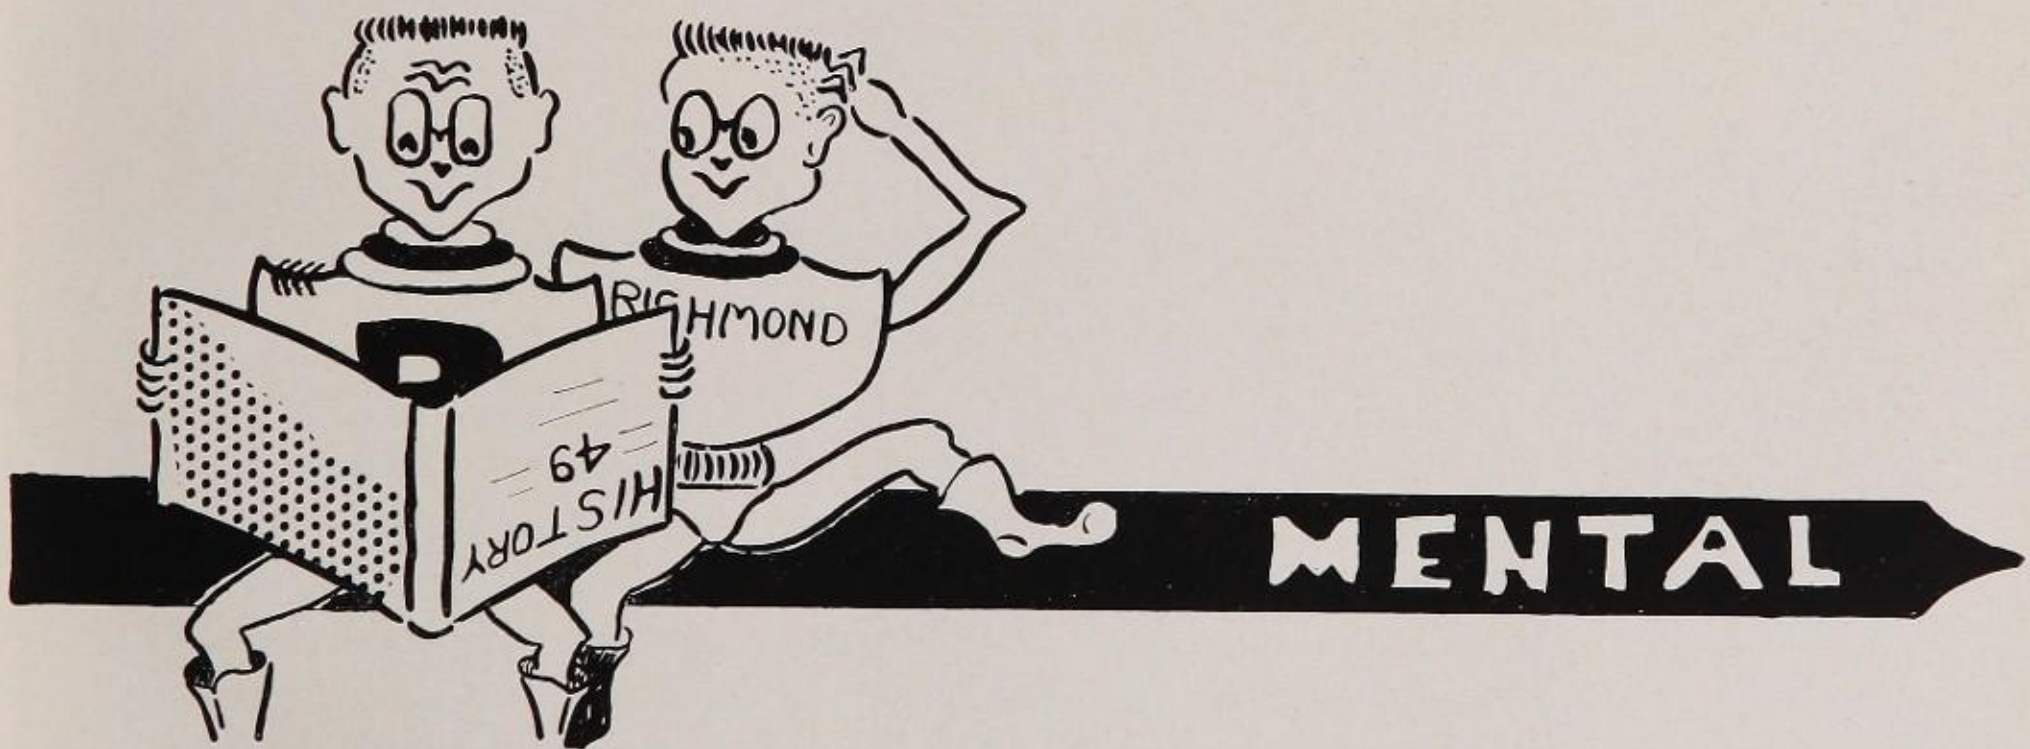

Sports give us all a chance to be closer together. So, you can see that without sports, this would be, wherein, a pretty dull place to live.

Ordinarily we don't identify these introductory pictures but this is too good. The top one is obviously a pep session, but the bottom one is a "B" team game and oh, look at that boy with the elbow. He'll make a great Richmond ball player some day. Don't blame Webster for "introductory," it's ours.

Class of 1949

Seniors! The Yellow Corduroy Brigade! Those yellow trousers and skirts belong exclusively to the "upperclassmen." We have worked for eleven years to attain that desirable status of a "Senior," and have finally reached it. Other years have offered much, but this year has been boundless in good times, pleasant memories, and productive work. Our Senior Party in Civic Hall; our hard working Senior Council; our cooperative class sponsors, Miss Fihe and Mr. Keefer; the Senior Play; the Pierian; the hilarious Class Day Program; Caps and Gowns; Baccalaureate; Commencement; and last, but not least, that Commencement Dance are just a few of the marvelous memories we have. The year has had much, both good and bad. The joy of graduation is wonderful, indeed, but it is lessened somewhat by the realization that there will be no more school day memories. Eleven years is a long time to wait for something, but each and every Senior will admit that it has been well worth it. We Seniors all wish you as much fun as we have had.

Class of 1950

Here is a junior class that is really tops and one that will set old R.H.S. spinning when they take over as Seniors next year. Headed by Ed Stegman, president, Stan Huntsman, vice-president, Mary Lou Byrum, secretary, and Dick Strahan, treasurer, they sponsored the Junior-Senior Prom and Senior Recognition Assembly. Remember the scramble for shoes and the bright socks at the annual class party, The Sock Hop?

Backed whole-heartedly by their sponsors, Miss Mary Fossenkemper and Mr. Lowell Rivir, they proved their leadership abilities. They were well represented on the Y-Teen Cabinet, athletic teams, yell-leaders, Register Staff, Activities Board, and—well just every where you looked, there were juniors buzzing around.

MRS. ELLA BOND JOHNSTON

is on the Sophomore page because she has probably welcomed more Sophomores than any other person. We think it fitting that here, on our first Sophomore page, she should introduce this class, Mrs. Johnston, if you please—

Sophomore Activities

The Sophomore Class of "49" have gone through the same tactics that the Juniors and Seniors went through when they first came to high school. Being wiser than previous classes, they were not so easily sold tickets for the elevators and cafeteria.

Time passes so quickly that it isn't long before the Sophomores are going steady, wearing flowers after the big dances, having trouble getting the car, and all the other little things that make it hard to distinguish them from the upperclassmen. All in all they're a grand group of kids to leave R.H.S. in the hands of—or vice versa!

Principal

James C. Farmer, the principal of R.H.S. . . . able and firm . . . ever ready with a friendly smile . . . his P.A. announcements abounding with clever words and phrases will never be forgotten . . . capable distributor of basketball tickets. Yes, "Jim" is an educator who really enjoys knowing and understanding the fellows and girls of Richmond High School. We shall never forget his able administration or the inspiration of his personality that we have immensely enjoyed as a valuable part of our high school years.

Mr. Farmer obtained his A.B. and M.A. at Indiana State Teacher's College.

The Deans

John M. Hougland

Although Mr. Hougland, the jelly bean king, has been at R.H.S. but one year, his friendly manner has impressed us all. Performing his triple duties of Vice-Principal, Counselor, and attendance officer, he has shown his outstanding capabilities.

He obtained his A.B. at Franklin College and his M.A. at Columbia University.

Gladys B. Erdahl

The essence of sincerity, understanding, and patience—our dean of girls is the fine organizer of our extra-curricular program. In addition to this she devotes much of her time to counseling.

She received her A.M. degree from Columbia University and an A.B. degree from Concordia College.

The Pierian staff will give a rubber cement-soaked paint brush to the one that knows her middle name.

The Cafeteria Staff

Remember the Zippy Sandwiches, Mrs. Truman's Ozark Pudding, Egg a la Goldenrod, etc.? Yes, attempting to keep our stomachs happy this year were the members of the cafeteria staff under the capable direction of Mrs. Hyne.

Office

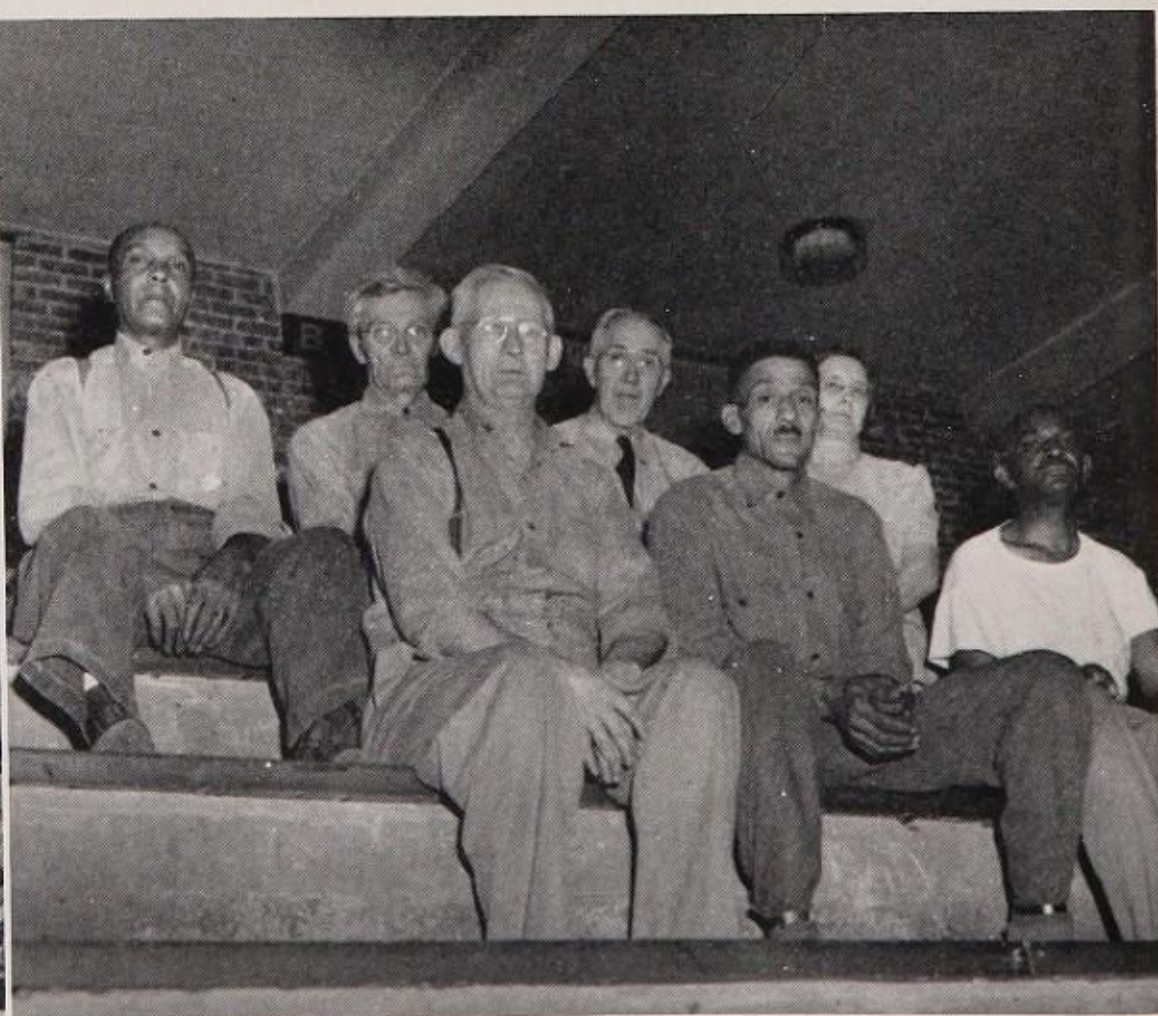

These two handled the paper end of the school. For the paper clips and the scotch tape we thank—Mrs. Helen Davenport and Mrs. Sue Lane.

The Cleaning Staff

The responsibility of keeping our school beautiful and clean this year was in charge of our seven capable custodians including "coaches" Coffman and Wynn.

The Policy-Makers

The Richmond Board of School Trustees headed by Mr. Paul C. Garrison, superintendent of schools, was composed of five socially responsible citizens. The principal duty of the board was to form the policies of the city school system. Policies, in a school system, are the basis of conditions for students and teacher, and also for the community. In forming the policies or "unwritten rules" of the system the six members had a variety of sides of the question to take into consideration.

Having been appointed to office by the mayor, each member found that he was a part of the organization which was also responsible for the actual maintenance of proper curricula in the schools. They were also responsible for replacing the teachers who left the school system during the year.

Activities Board

The “hub” of activities centers around our industrious student council which we call Activities Board. This group is composed of a representative from each home room in the school. It makes many of the policies of the school and is active in any of the work done by the school as a unit.

Ernie Olson was the able president of this group and was assisted by the faculty sponsor, Miss Erdahl. Through the year they had many projects which aided not only the high school, but the community as well. They sponsored such activities as the 10B parties, Citizenship Day, 9A Visitation Day, and the All-School Party.

Parties are not the main duty of the Board, however. To this group come everyday problems of the students. Here solutions are found which satisfy the majority of the pupils. Here we find democracy in action. The Activities Board is an institution for which our school is noted.

Home Economics Club

Did you see an extra-pretty girl running through the hall the other day? Did you see a gal who looked as though she knew all the hows and whys of putting on make-up or one who had a specially neat wardrobe? Well, the chances are all these misses are members of the Home Economics club. The girls in this club have really been busy this year with speakers and discussions on all sorts of things.

The girls have talked about date etiquette, table manners, appearance, and so forth. They also went to visit the Electric Kitchen. (I suppose they could all tell us how to fix the ice box or how to run an electric oven.)

In the Home Economics club all the time is not devoted to speakers and talks though. The girls also have given a play, and they had a party, also a pitch-in supper. Bettie Miller is president and Mrs. Parker is their sponsor.

Absent when picture was taken were Smith and Paradiso. Club Sponsor—Wallace V. Brenneman.

The Y-Teen Cabinet

The girls in blue and white. This year they have really done a splendid job as any Y-Teen will tell you. Meetings have been interesting and fun, outside activities, good times for all. We've scarcely appreciated all the work these thirteen gals did to bring us the Y-Teen assemblies, the Autumn Nocturne, the Mardi Gras, and the rest of this year's activities, because they did it all with such an appearance of ease. Their sponsors and Y-Teen mothers, with Miss Dorothy Gleckner and Miss Julia Sperling, have helped them greatly. The Y-Teen Cabinet will long be remembered for their fine work.

First Row—Buddy Britton, David Dickerson, Fred Therrian, Benny Kovach, Gail Perkins. *Second Row*—Mr. Chase, David Scantland, Larry Cablitz, Dick Furguson, John Blossom, Jack Dicky, Marston Chase, Bob Milligan, Gene Straus.

Senior Hi-Y

← The Senior Hi-Y is an organization which is outstanding in both school and community activities. It is not a "good-time" club only, though it does sponsor one of our biggest school dances, the Queen of Hearts Ball. The boys also have put on the beautiful Easter assembly and other projects of a more serious nature.

There are about fifty-five members in the Senior Hi-Y, and they are all active at one time or another during the year with club projects. Their president this year was Ernest Olson, and their sponsors were Mr. Brenneman at school and J. K. Wolfe at the Y.M.C.A.

Left to Right—Georgia Adams, Joyce Albin, Janet Weiss, Janet Shepman, Janice Ozbun, Annette Placke, Carolyn Cordes, Marilyn Cordes, Joanne Ramey, Cynthia Olsen. Absent when the picture was taken: Jana Emslie, Claudine Kelsey, Sue Romey.

Freshman Hi-Y

← The Freshman Hi-Y, like the Senior Hi-Y, engages in activities in the school and in the community. It helps the freshman fellows get acquainted with the school and the students. This year the club had two initiations, one at the opening of school and a second at mid-term. The boys also gave a party, and they worked hard during the Red Cross Drive putting up signs on the lamp posts downtown.

The sponsor of the Freshman Hi-Y Club is Mr. Chase, and their president is Keifer Calkins.

Deb-Y-Teens

Marna's group did a variety of things this year, and all the girls really enjoyed themselves. One of their best outside activities was a swim and a pitch-in supper. In group meetings they held contests for which prizes were awarded, and Mrs. Bone from the Anderson School was one of their speakers. Her topic was Modern Make-up and Hair Styles. June Coulter was devotional chairman and Mrs. Richeson was their sponsor.

Melody Maidens

The Melody Maidens, as one might easily guess, were highly musical in their Y-Teen meetings. They had a choir, learned new songs, and really carried out their musical theme. But they, too, saw Dick Olson's pantomimes and had interesting speakers. They held a discussion on boy-girl relations at a meeting when five Hi-Y boys attended, and Mr. Baker and Mr. Peacock both talked to them. Their sponsor was Mrs. Lynch and their devotional chairman Pat Hayley.

Teen Toppers

Everyone learned about the Teen Toppers early this year for one of their first projects was making red and white crepe paper shakers for one of the football games. They had a Valentine's Day party which was a great success. Dick Olson's performance was much enjoyed by all. Janice Fowl was their devotional chairman and Miss Stinson their sponsor.

Jabber Janes

Marilyn Cordes's group had several highly interesting programs this year. Of course, the one which was probably most interesting was a party held at the Y.W.C.A. They also, however, carried out a Red Cross project for St. Patrick's Day, and they had a Merle Norman demonstrator to talk to them about applying make-up correctly. They, too, saw those pantomimes of Dick Olson's (that young man says he's a member—honorary, to be sure—of the Y-Teens, and we're beginning to see why) and had other speakers. Their sponsor was Miss Meacham and devotional chairman Leanne Brenne-man.

Jog Along Jo's

Joanne Ramey's girls learned the very newest dances this year. Miss Kolp attended one meeting to show them some of the "new-fangled" steps, and besides that they learned several South American dances and the Schottish. They had parties at the Y.W.C.A. which, of course, went over big with all concerned. Their sponsor was Mrs. Dolan and Carolyn Miller was devotional chairman.

Juke-Box-Jennies

Claudine's group had a Christmas party and another on Valentine's Day. If those special announcements were any indication, the parties were really out of this world! Miss Fossenkemper was their able sponsor and Rose Krupa their devotional chairman. This lucky (and hard-working) group won the five dollar prize for selling Christmas cards.

Korduroy Kids

Those Korduroy Kids really had fun this year with style shows, planning wardrobes, and having swims. Coach Baker gave the girls an interesting talk on our favorite Indiana sport, basketball. They held several parties which were greatly enjoyed by all. Their devotional chairman was Dorothy Zuber and their sponsor was Miss Crabb.

Adam's Apples

This busy Y-Teen group had a variety of programs this year. They heard about South America at one meeting and about hair styles and make-up at another, as well as having a radio play, a jam session, and a quiz show. It sounds to us as though Georgia and her gals had a grand time. Their sponsor was Miss Eliason and Leah Pollock was devotional chairman.

Saucy Seniors

Cyndy's Cynders

The Cyndy's Cynders were the producers of this year's Y-Teen paper, the "Teen's Times." Mary Bulach attended one meeting to tell them of a newspaper reporter's life, and Mr. Peacock told them of his experiences in the Army Intelligence Corps. They had a grand swim and a pitch-in supper at the Y.W.C.A. Miss Fornshell was their sponsor and Carol Kercheval their devotional chairman.

Woody Woodpeckers

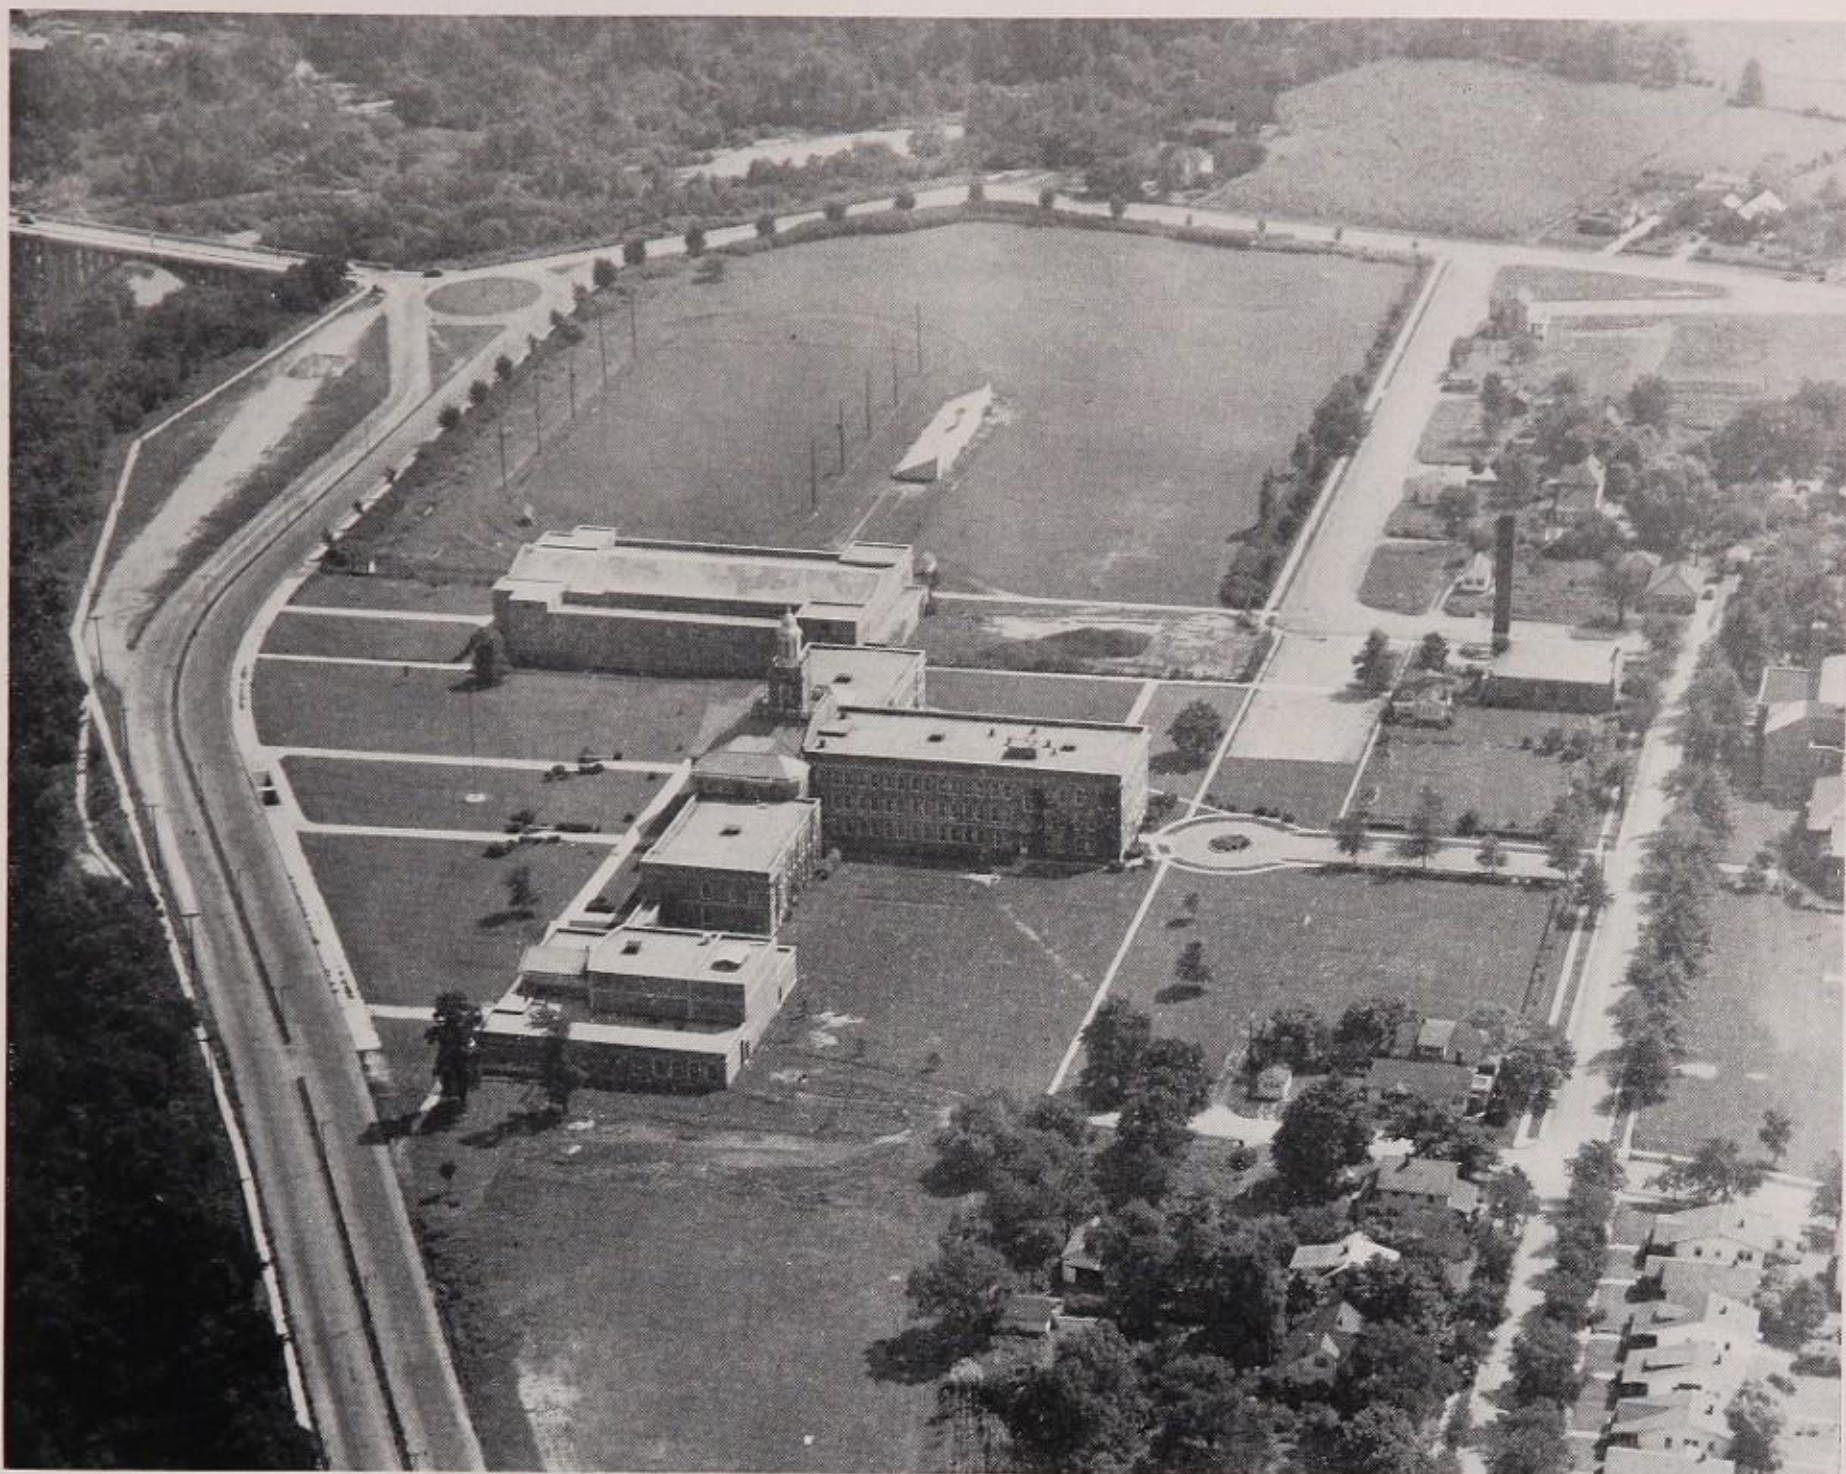

These busy gals showed great artistic ability in their craft work. They worked with leather mostly and produced such articles as billfolds, coin purses, and belts. They also carried out a Red Cross project, as did several other Y-Teen groups. From what we hear, however, their favorite activity was having swims. Miss Hicks was their sponsor and Pat Chasteen devotional chairman.

Susie's Satans

Sue Romey's group went in for the various sports this year, having Mr. Baker and Mr. Tiernan as speakers on basketball and wrestling (oh, you kid). The girls presented a skit on school spirit to the other Y-Teen groups. A pitch-in supper and a swim was greatly enjoyed by all. Miss Clark was their sponsor and Betsy Pfeiffer was the devotional chairman.

Saucy Seniors

Joyce Albin's group had several different types of programs this year as well as a really swell swim and a pitch-in supper. They recorded their voices, heard about New Mexico and a jet plane pilot, and had Dick Olson do several of his pantomimes for them. Mrs. Wilkinson was their sponsor and Pat Sowers devotional chairman.

This is J. Carltons favorite picture of the school. Because it shows the entire campus and because the Pierian staff wants to graduate, we include it here.

The Y-Teen Club

The Great-grandmother of our present day Y-Teens was a little Girl Reserve who arrived in Oakland, California, in the year 1881. She wasn't very big, only one club. Her parents were the Y.W.C.A. and she had relatives all over the world.

From Oakland this little girl moved all over the United States. At last she came to Richmond, Indiana. When she reached here, she settled in Morton High School. She was composed of sixteen members. What year? Why, in 1918, don't you remember? For a nurse maid she had Mrs. E. C. Cline. Of course, Mrs. Cline was called a sponsor. She had grown a little since she came to California and now she had 13 interested groups. This time she arrived before her parents. Three years before to be exact. You know how girls like to get around, especially such a nice girl as this one.

There must have been a housing shortage in those days too, because she didn't move in with (become affiliated with) her mother, the Y.W.C.A., until 1926.

In 1939 she moved to good old R.H.S. Some of the sponsors here were Mrs. Hubert Lacey, Mrs. James Strahan, Miss Emily Murphy, and Miss Janet Land.

In the year 1946 she got her new name. No, she did not get married! She just became a Y-Teen.

To bring us up to date on this busy little gal we find her list of activities for a year. She has bi-weekly meetings, Red Cross and Y.W.C.A. World Fellowship projects, Mardi Gras, Thanksgiving and Easter Devotions, Summer Conference, formal and informal dances, big and little sister programs, and initiation and installation breakfast.

She has really grown up since 1918, now, she has 475 members in 13 groups headed by 14 cabinet members and Miss Julia Sperling and other faculty sponsors. The Cabinet Meetings are held at the Y.W.C.A. She even has her own club rooms now, known as the Stable.

Thus is the life of our little Y-Teen from 1881 to 1949. Most of us do not know what the first Y-Teens were like, but we know that the Y-Teens of the last few years were the best in our judgment. Why? Because we were those Y-Teens and it gives a feeling of good companionship that we will cherish throughout our lives.

If you can find yourself, you're better than we are!

Art Club

Those of us who are uninformed on the subject are apt to think that the Art Club has always been one group. Actually it was two divided groups which met on alternating weeks. These two had different officers though they did essentially the same things and had the same sponsor, Mr. Campbell. Later they consolidated and went on to bigger and better things.

The Art Club members have visited the art galleries several times, and Mrs. Johnston has explained the various exhibits to them. During their meetings they have had speakers who are artists themselves, and they have carried out projects this year such as making posters for different school activities, parties, dances and the like.

The Dancing Club

It seems as though the tenth graders have all the luck. If you noticed some of them gliding about our stately halls, doing the fox trot, the waltz, or perhaps the lindy, here is an explanation of these activities.

No, it was not spring fever. It was the dancing club's influence. They learned the newest and best dances and several old favorites, everything from the two step to the latest of them all, the Samba. A dance was held in Social Hall which was a big success.

The club was sponsored by Miss Coulter and Mrs. Shallenburg. The instructors were "those world-famous dancing masters," Wanda Batt, Shirley Ballard, Bea Houseman, Pat Frame, and Kenny Brumley.

First Row (left to right)—Glena Van Vooris, Kathryn Blickwell, Doris Alexander, Pat Ellis, Doris Dillman, Norma Petty, Joan Robinson, Rosemary Becker, Suzanne Beason, Jean Allan, Ella Williams, Barbara Shiplet, Alida Ravinet, Mary Phenis, Eloine Patton, Robert Davis, Mr. Campbell. *Second Row*—Ronnie Sudhoff, Claude King, Tom McMahan, Jackie Cooper, Bill Meinsen, Dick Mitchell, Dick Meyers, Don Sharp, Lawrence Crockett, Frank Martin, Joe Ridgeway, Phil Pegg, Paul Tegeler, Jack Cartwright, Keith Carty, Robert Cox, Charles Irvin. *Third Row*—Emmett Sponsel, Henry Unser, Bernard Jameson, Don Kirk, Paul McDaniels, Ronald Lovin, Kenny Berg, Harry Harvey, Ronnie Gibbs, Guy Goens, Bob Runyon, George Maley, Jimmie Bruck.

Photography Club

This club is under the supervision of Mr. Miller. It is an extra-curricular class which teaches interested students the art of taking and developing pictures.

The members of this group took many interesting pictures, the truth of which some few seniors could verify. Some of these pictures seemed to get misplaced during the course of the instruction, but I do not doubt that a certain member of the basketball squad could help you to locate some of them.

By the end of the semester the students (or should I say members) of this group are supposed to know the lens from the film. It seems some (Mr. Miller, perhaps?) weren't quite sure which was which at the beginning, (and we won't vouch for their knowing at the end).

Riding Club

The Riding Club this year took two trips to Brown County to go horseback riding. They also planned a trip to Lexington, Kentucky, (but as we go to press we don't know if their plans will conform to the weather). They were to visit several famous horse farms there. This club is for all students interested in horses and in riding, (and all horses interested in students), and about half the members own their own horses. Miss Coulter sponsors the group.

The Counsels

The Junior and Senior Class Counsels really did a big job this year as always. The members form the bulk of all committees for Junior and Senior class activities. They have a great deal to do with all class affairs, particularly the social activities. These groups have a large part in planning for all the activities which fall about commencement time and also sponsor the Junior-Senior Prom. We all owe them a vote of thanks for their work.

First Row (left to right)—Frank Martin, Jack Canan, Bob Feelor, Bernie Friberg, Jim Riley, Bob Baker.

Second Row—Lewis Reed, Jack Cartwright, Earl Kinnear, Bill Hunt, Jack Maule, George Burch, Gene Vaugh.

Aviation Club—"Fly Guys"

If you were one of the curious students who wanted to know why on every other Tuesday the blinds were pulled and the lights were out in Room 317—now it can be told! There were no subversive groups meeting there to plot the destruction of the school building or the extermination of the faculty—it was only the members of the Aviation Club seeing movies on the theories of flight, fundamentals of navigation, operation of instruments used in blind flying or how not to get into a stall.

This year's Club officers were: Jack Canan, Bill Hunt and David Igelman. Its sponsor, Mr. Rivir, led in the discussion and explanation of the films.

Model Airplane Club

Perhaps, dear reader, you were one of the unlucky students who happened to drop by Civic Hall while the Model Airplane Club was holding a meeting. If so, you probably were practically deafened by the roar of the machines and the shouts of "Get out of the way" and "Well, stupid, are you going to move or aren't you?" and "Wipe up the blood, son, don't step in it." We were told these remarks were necessary for keeping the planes safe. In nice weather, however, the meetings were held out-of-doors (which made the gym safe for the rest of us).

The club was sponsored by Mr. Rivir, and the officers this year were Jack Canan, Mickey Patti, and Bob Feelor.

First Row (left to right)—Joe Ridgeway, Kenneth Burg, Robert Morris, Emmet Sponsel, David Patti, Norman Beach, Jim Ayres, Ovid Brown, Leroy Atkins.

Fifth Row—Jim Cook, Dick Mitchell, Jack Cook, Dick Meyers, Dolly Favre.

Junior Red Cross

Few of the students of R.H.S. realize within our school is a club which belongs to the largest youth service group in the world. This great club is the Junior Red Cross which serves many needy children overseas by supplying them with necessities of both school and home.

They also do work for the needy in their own area making personal comfort items for veterans such as joke books and games. At every holiday season they make favors to be placed on the food trays of hospitalized veterans.

To raise the money needed for these projects they sponsored an all school skate in the fall of the school year. These civic-minded members of this club ask nothing in return for their work save the enjoyment they receive from doing it.

Officers this year were Maxine Shears, Louise Pilgrim, and Barbara Schuerman.

Wood Work Club

Take a hammer and some nails, a lathe, paint, shellac, plastic wood, planes, saws, and screws; mix them all up with some rather noisy but talented R.H.S. boys, and what have you got? Why, the Wood Work Club, of course. This is the recipe—I mean the club—which Mr. Treasure sponsored this year, and one fine club it was.

These boys really found a way to make good use of their club time. During club periods they were able to make all sorts of articles for their homes. There were tables, book cases, cabinets, and stools made, and the fellows found the construction all the easier for the expert aid given by their sponsor.

There were no officers in the club, for it was really just a general get-together of the interested boys.

Biology Club

This club is for the students of R.H.S. who especially love the out-of-doors. (Sounds like a grand one to belong to in the spring.) When the weather permits, the members take field trips to learn more about nature. At other meetings they learn about living things from their sponsor, Miss Coulter. At Christmas time it was the Biology Club which helped in the making of the Christmas corsages. They also raised money to better the appearance of R.H.S. and to buy better equipment for their work.

Lettermen's Club

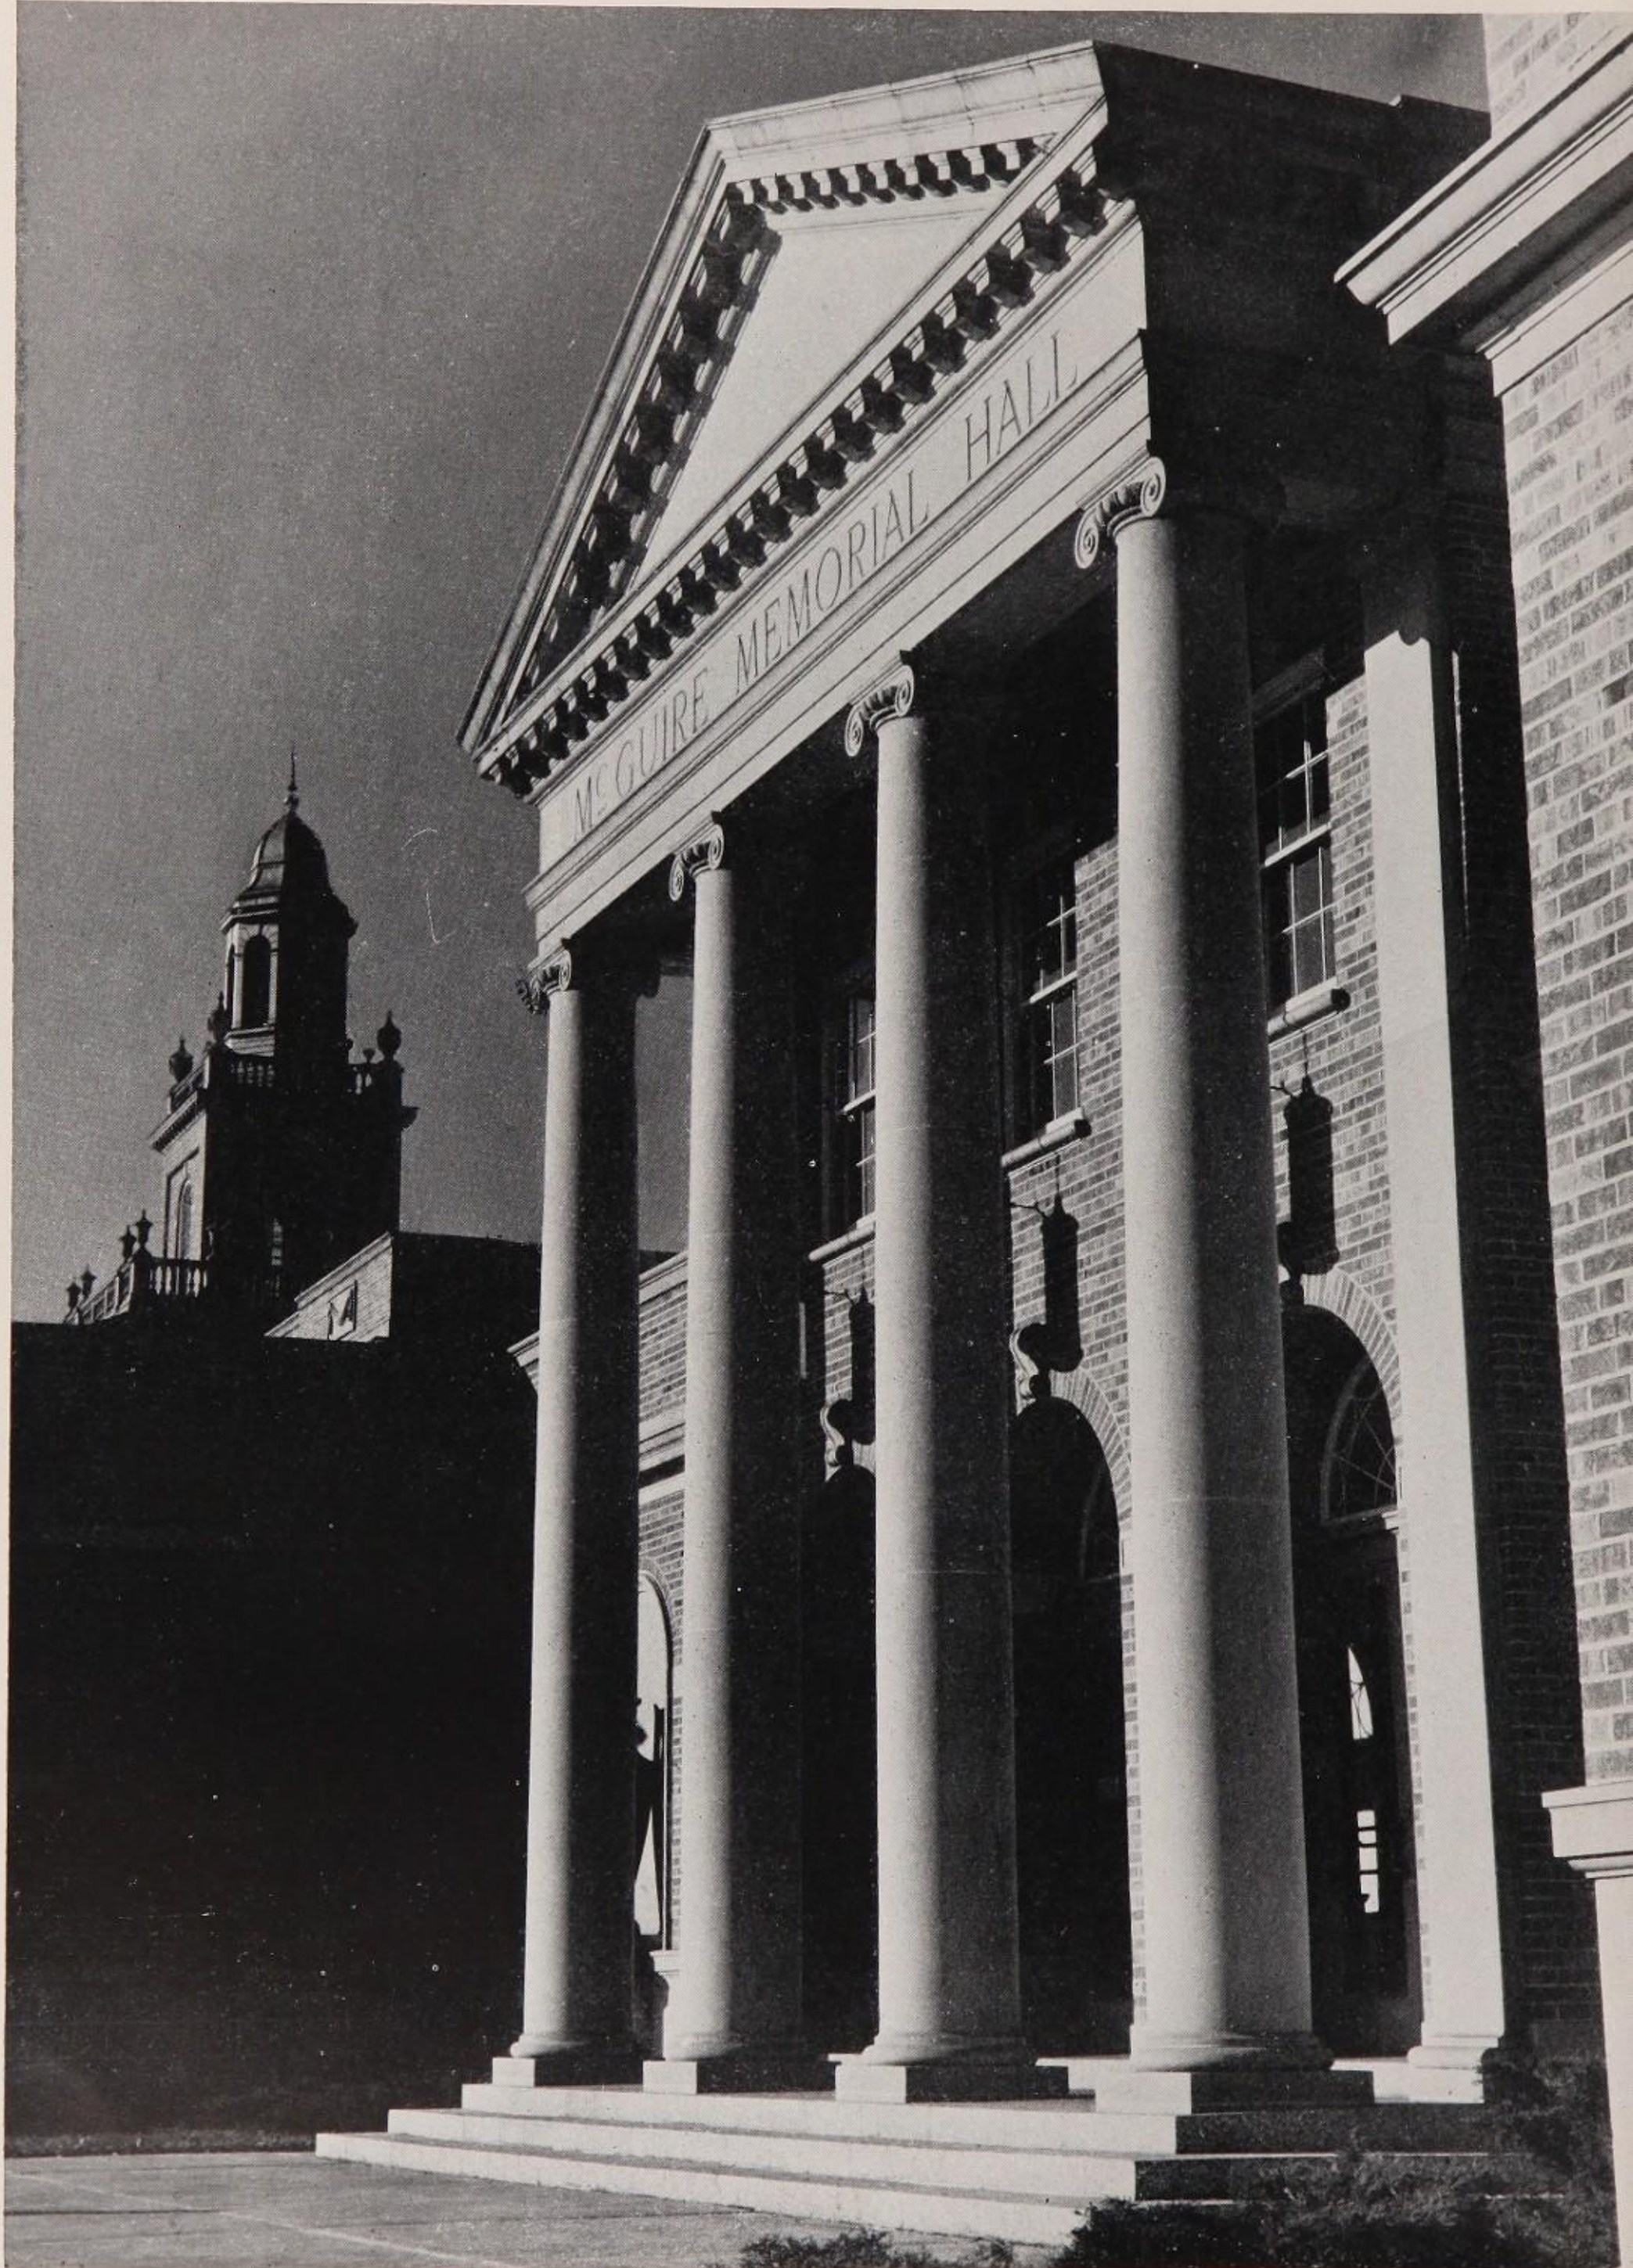

These enterprising young men gave one of the first dances of this year, the Reindeer Ball. But that is not the usual type of activity in which they participate (as a matter of fact, they couldn't afford to). These fellows are our leaders in the field of athletics and so own R.H.S. letters. The purpose of the club is to create and maintain sportsmanship in athletics in our school. Their sponsor was Mr. Sponsler and the officers were Dick Meyers, Harold Hartzler, Jack Cook, and Louis Gehring.

First Row (left to right) — Bob Marley, Lewis Gehring, Richard Laughlin, Dale Defibaugh, Dick Drudy, Jim Cook.

Second Row—Mel Thompson, Jim Gehr, Byron Klute, Dick Mitchell, Jack Cook, Roland Starr, Bill Lochr, Dave Cook, Harold Hartzell, Ronnie Lunsford, Charles Spears, Jim Bruck.

Thespians

Jr. Actors

**Bell

Thespians

Quite a group of aspiring young actors and actresses, these. They had everything from soup to nuts, so to speak, in the plays they put on this year. "John Doe" an experimental, "Curse You, Jack Dalton," a melodrama, "The Divine Flora," a comedy, and "The Great Big Doorstep," a character sketch. Of course, all that we, the audience, saw was the finished product but behind scenes were many who never were seen on stage and yet who had a great deal to do with the success or failure of the play. One of these persons was Mrs. Myrtle Shallenburg, their sponsor, who was always ready to lend a helping hand at directing, prompting, set painting, or whatever. The officers of the club were Dale Weiss, Cynthia Olsen, and Barbara Keck. We only wish all the members could have had starring roles—they merited it.

2. Dickina Olson and actors.
3. A bus load of beauty, brains and bilge.

Junior Actor's Guild

"It was a splendid performance by the whole cast!" "The set was perfect." "The casting was excellent." These were the expressions heard when a play presented by Junior Actor's Guild had ended. What was behind all this praise? Hard work, long hours, good supervision, and a desire to be on the stage.

Such is the work of the club which presented good plays like "The Trysting Place" and "Miggles." Both of these plays were under the supervision of Miss Loretta Grothaus, the club's sponsor.

This club not only provided wholesome entertainment for the junior class but, in doing so, they received valuable training in every field of dramatics. The members of this club will long remember the fun they had producing their plays.

Belle Masque

"Have you seen those people coming from McGuire shaking with laughter?" "What happened?" "Is there an hilarious art exhibit?" "No?" "Then what is it?" It was nothing save a Belle Masque comedy production with Dick Olson. The audience practically rolled in the aisles. Yes, that's what happened every time a group from the Belle Masque gave a performance.

What is this Belle Masque, you ask. Well, it is the great tenth grade dramatic group. It is the foundation for all dramatics that follow in the Senior High School.

Under the guidance of their sponsor, Miss Lucille Meacham, this group provided an entertainment of fine quality. They produced good plays such as "Belle" and "Sure As You're Born."

The Art Club produces its own models. Joan Alkire and Mr. Campbell demonstrate a pose.

Spanish Club

"Buenos Dios" and "Hello." A strange mixture of languages emerged from Miss Clark's room when she was sponsoring the Spanish Club this year. Dan Armstrong as president and Patty Sowers as program chairman worked hard to make the meetings interesting. They had speakers, learned about the Spanish language and about peoples who use it, and joined with the French Club for a Christmas party.

French Club

Right next door to the Spanish Club we found a group of young people busy speaking French. They even went so far as to work out crossword puzzles and play word games in that language. At Christmas they learned several French carols. At other meetings they heard recordings, and a French war bride came to tell them about her country. Mrs. Lynch was their hard-working sponsor, and the officers were Carol Belcher and Justin Cummins.

The Concert Orchestra

Small, but 100% efficient, the Concert Orchestra of R.H.S. is an organization worthy of praise. What this little group of instrumentalists can do is a constant source of amazement to their listeners. No small part of the credit goes to Mr. Melton for his untiring effort and constant inspiration. In the spring and fall concerts the orchestra has proved to its audience that a small group can sound well when every member does his part. From the haunting strains of "Indian Nocturne" to the lively spirit of a "Mexican Overture," the group showed ample proof of its training and solid musicianship.

The Concert Choir

One of the best in the state, our Concert Choir is always striving for greater heights of performance. With Mr. Ronald E. Melton, their most capable and congenial conductor, they spend many hours in practice. The results are evident to all who have heard the group sing. Their program is always varied, ranging from Handel's "Hallelujah, Amen" and Schubert's "Ave Maria," to such works as Waring's "Country Style" and the South American favorite, "Tico Tico."

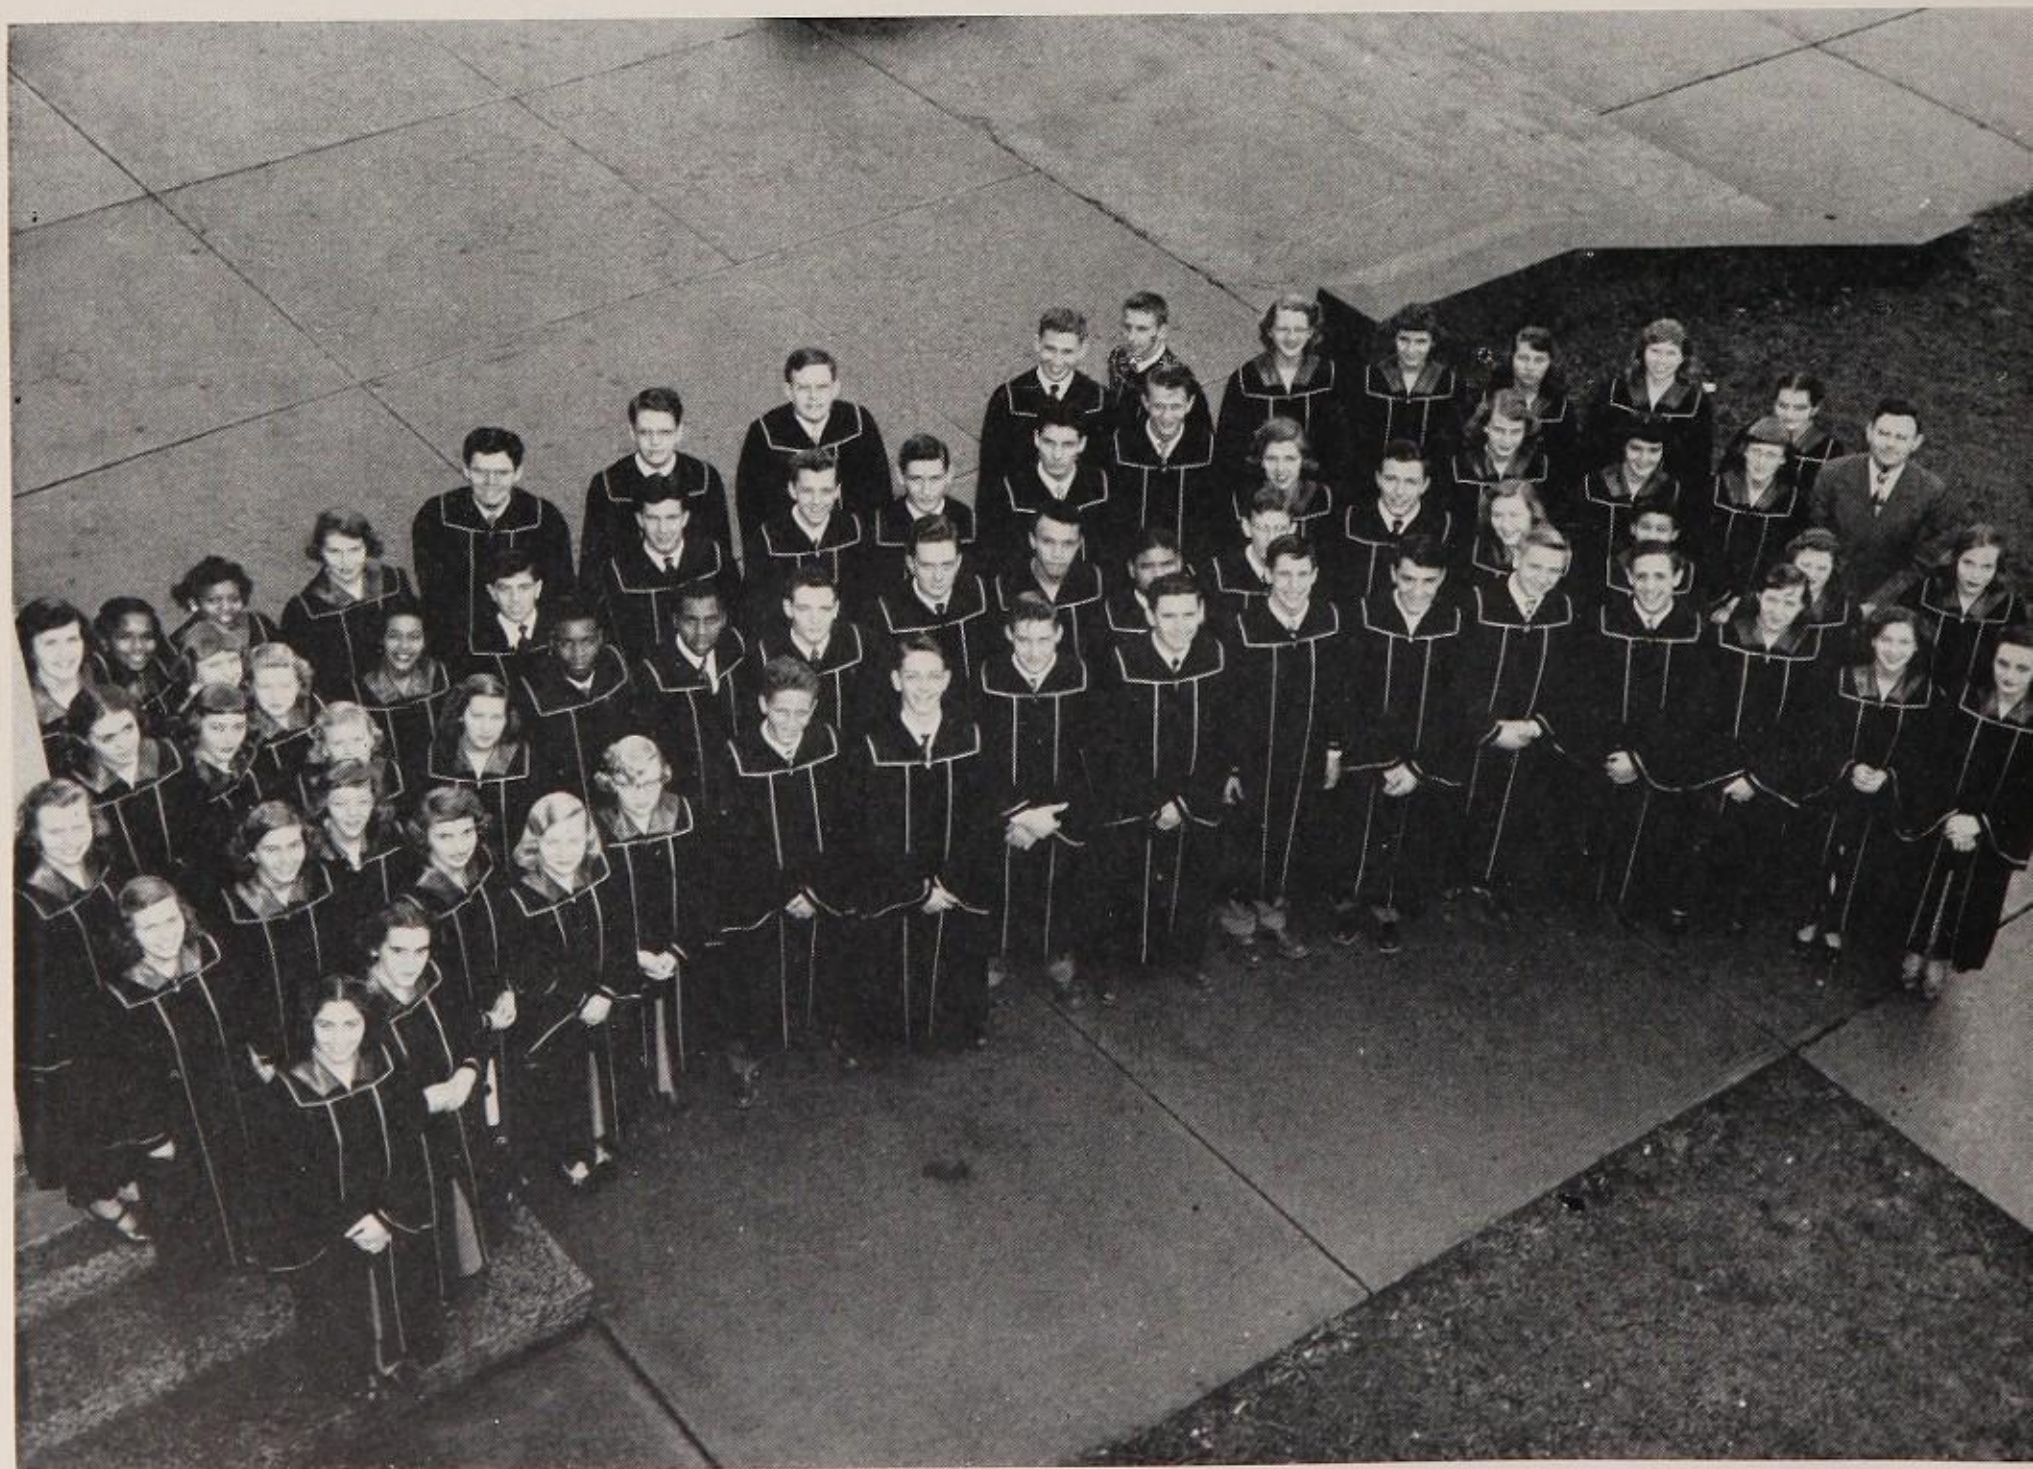

Along with their hard work, the choir also has a lot of fun. The spring and fall concerts . . . caroling in the halls . . . singing for service clubs . . . performances at other schools . . . these all have their part in the Choir's well-rounded program. This is a never-to-be-forgotten group, both by students and singers.

The Band

With Mr. Ben Graham as their able conductor, this group of spirited musicians has achieved great heights. Fine performances at concerts, games, public appearances . . . spirited marches . . . popular tunes . . . works of the Masters . . . all these combined to form the band's well-rounded repertoire. Remember the fine rendition of Dvorak's "New World Symphony" . . . the dance routine at the Logansport game . . . the able soloists . . . the formations at football games . . . playing for Santa Claus? These performances climaxed long periods of hard practice and drill under the skillful eye of Mr. Graham. Yes, the band of R.H.S. will long be remembered by all students and citizens of Richmond.

Major-Majorettes

We all know our major and majorettes because of that very impressive ceremony which took place before each of our basketball games. How could we forget the marching figures, the batons twirling, the darkness with the spotlight on the "Star Spangled Banner," and the three songs we sang. These five helped make a symbol of R.H.S.

Pep Band

The Devil's Horns. Really hep, these students of good old R.H.S. take time out from playing Bach, Beethoven, and Brahms, to let out with some hot Boogie and Be-Bop. These fellows really have a good time dealing out jive at pep assemblies, etc. Mr. Melton is the club's sponsor.

Concession Workers

Get me a coke, will ya? This is a familiar phrase heard during football and basketball season. During the long winter months the faithful servants of the sports fans are the hard working guys and gals who belong to Doc's crew.

These workers don't give up at the end of a basketball season, they keep on the job to the very end serving all the county at tourney time. These kids are the unsung heros and heroines of the great winter sport season.

Yell Leaders

Without our cheer leaders we wouldn't have much of a cheering section. They deserve a lot of credit from us all. These three always managed to pick out our favorite yells at the games, and they made our pep assemblies really good. They need no introduction, for we know each one for something special: Sue Romey's pleasing voice, that magnetic smile of Dick Strahan, and, last but not least, Mert "Dimples" Wright.

Red Devil Pepsters

The Red Devil Pepsters is a sort of junior Block "R". In fact, the rule now stands that one must first be a Pepster before joining Block. These hard-working young ladies really didn't have much chance to show off this year, but those of us who overheard their practices know they will make grand Block members. Then, too, we heard them at one of our pep assemblies so most all of us had a chance to form our own opinions. These were GOOD. There are a great many more Pepsters than there are Block members, but the Pepsters worked with the same cooperation and spirit as Block. We're all very proud of them.

Marjorie King was the Pepster's president, and Miss Raisor and Mr. Campbell were their hard-working sponsors.

Block "R"

Block "R" rates high with the gals in R.H.S. and with all the rest of us, for that matter. The main point in their work is cooperation. These girls worked together to make us the best known block in the state. They spent long hours of singing and rehearsing cheers after school hours to make all their splendid performances come out well. We only saw the finished products, but it was all this work that made Block what it was this year.

The sponsors, Miss Jane Raisor and Mr. Campbell, worked together to help Block over the rough spots. Betty Fienning was president and Janice Ozbun song leader. They, with the other officers and the sponsors, planned all the performances. Let's give three big cheers for our Block "R".

Devils' Den

What would the R.H.S. students do without the Den on Friday and Saturday nights? Whether we spend the entire evening there or just drop in for a coke after the show, we all are glad we have the Den. We should thank our lucky stars for the officers and for Mr. and Mrs. Conray, the sponsors, who all worked hard to make our favorite "hang-out" fun for everyone.

There were a great many unforgettable happenings at the Den this year. The Fifth Anniversary party . . . New Year's Eve (picture at upper left) . . . the elections . . . the dances after the games . . . the evenings we had free punch . . . the big Den Cleanup . . . and many more incidents.

Of course, even when there are no special activities, there are always lots of kids at the Den—playing cards, dancing in the gym, or playing pool or ping pong. These last two seem to be general favorites, but there's always plenty of entertainment at the Den for everyone. Even the out-of-town gangs like to visit it. Yes, the hours we spent at the Den will long be remembered.

Dances

Everyone knows that the highlights of R.H.S. are the dances. Just stop and think what school would be like without these gala affairs. We don't give much thought to them; we just expect them to come along. We all know that we'd be lost without them. Let's leaf back, and think for awhile of the dances that have meant so much to all of us.

First of all let's talk about the Block "R" Dance. Everyone had such a swell time square dancing. When the record stopped, we just kept right on. Shirley Keesling and Larry Smith certainly made a hit as Daisy Mae and Lil' Abner. Yep, that sure was a lot of fun.

Then, all the girls look forward to the Y-Teen Dance. It's their big chance to ask that certain boy. All you hear for a couple of weeks are those famous words "who are you going to take." We will all agree that this dance is worth while.

The dance given by the Lettermen's Club was enjoyed by all. The Reindeer Ball will always be one of our favorites. To some of us it might have a special meaning (as might each of these dances).

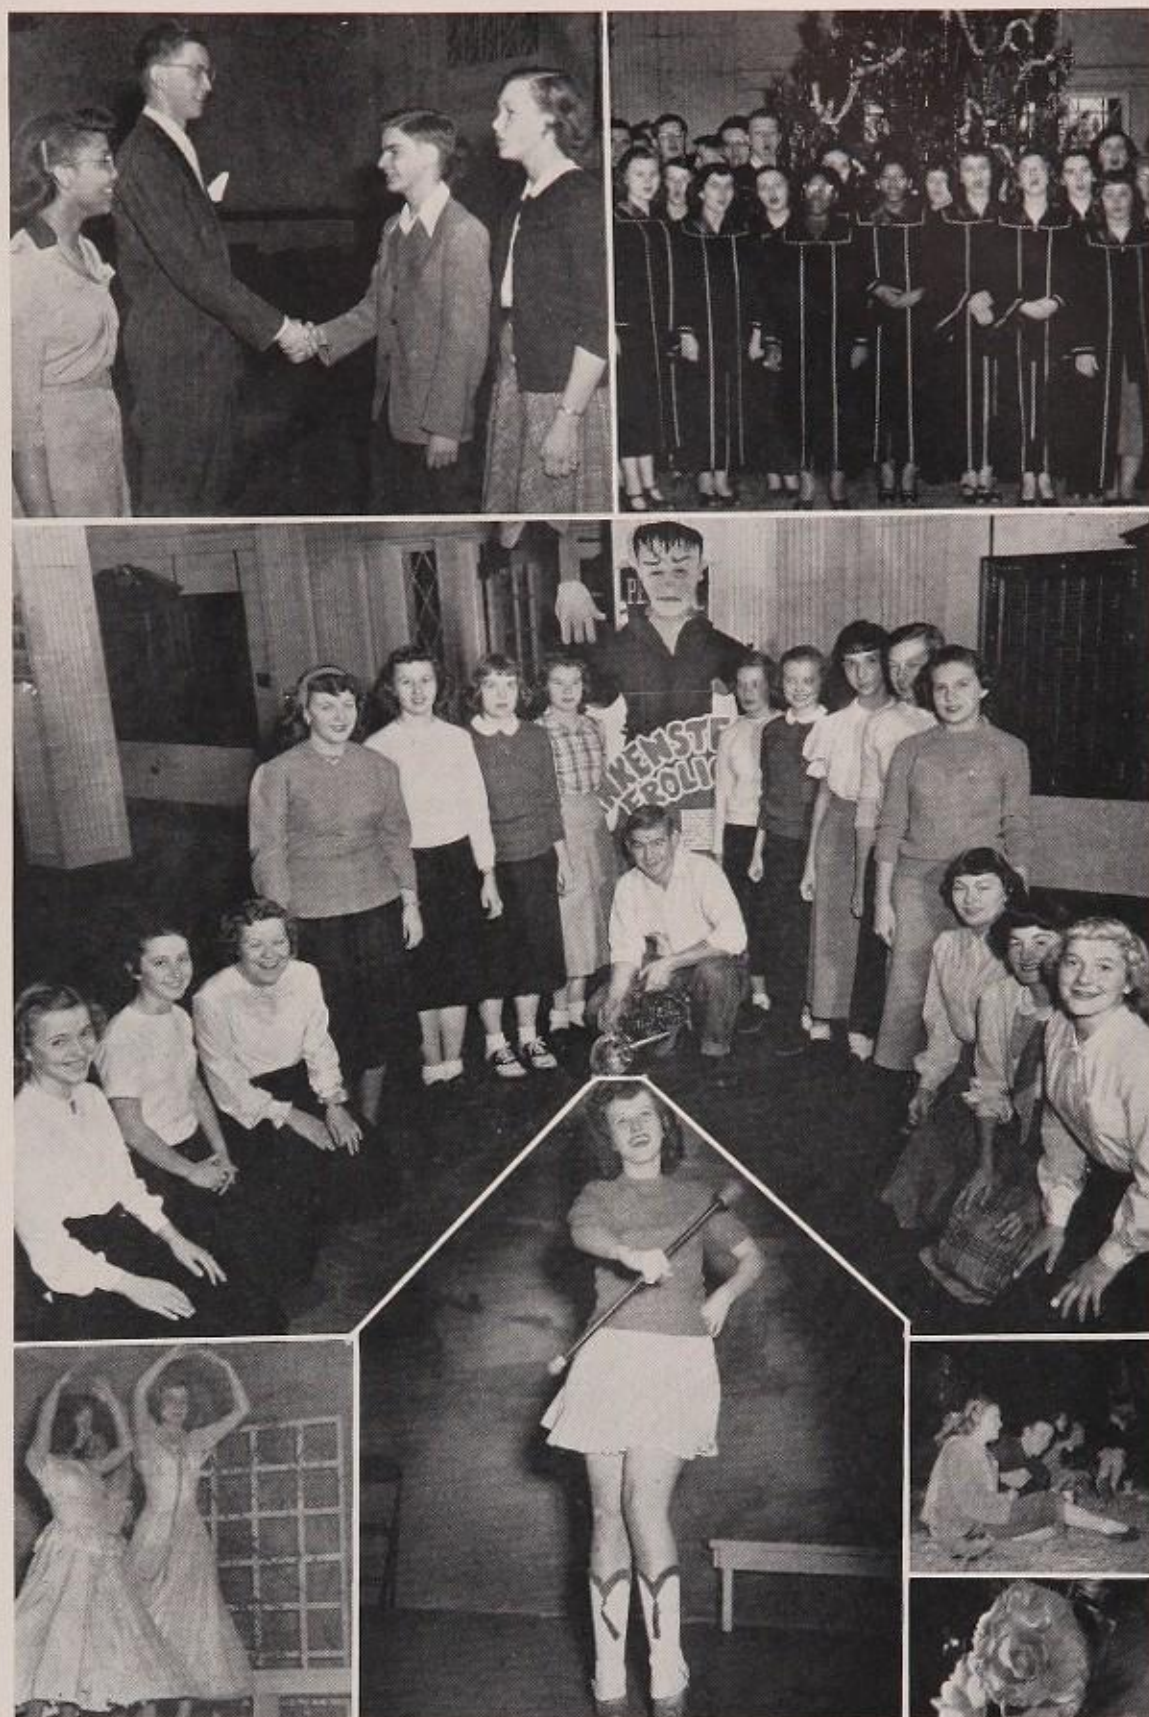

The "Sock Hop" proved to be a lot of fun for those in the Class of '50. No one can ever forget some of the socks that showed up. Prizes were given to Thespena Dallas and Jim Cronin.

We all looked towards the Queen of Hearts Dance and the excitement in not knowing who is Queen 'till the very last minute. Janice Ozbun made a very pretty and impressive Queen. The Hi-Y had the honor of giving such a swell dance.

The Junior-Senior Prom is one of the important dances of the year. The juniors give the dance to the upper-classmen. The hard work always pays off when you see the fun everyone is having. Shirley Keesling was our lovely Queen.

And that Commencement Dance—Wow!

These are just a few of the dances that will always remain with us. Many of these dances of R.H.S. meant a first corsage, taking dancing lessons, a new formal, and maybe your first kiss from the boy you thought would be the only one . . .

Queen of Hearts

A Porter Portrait

JANICE OZBUN

Our beautiful and very talented Queen of Hearts, Miss Janice Ozbun, is a graduate of Dennis Junior High School. She has lived in Richmond all her life. Janice is well-known in R.H.S. for many reasons. The chief one is that she is interested and active in so many things. She is president of the Y-Teen Cabinet and song leader for Block "R".

Janice is very popular among the R.H.S. students for her lovely voice and her pleasing personality. She is very interested in music, sings beautifully, and plays the organ and the piano. All these things explain why we chose her as our Queen of Hearts.

SHIRLEY KEESLING

Photo by Larry Phillips

There probably is not a single person in R.H.S. who doesn't know the young lady who was crowned Queen of the Prom, Miss Shirley Keesling. Shirley is a busy and gay little girl with a vivacious personality and plenty of zip. She is active in many clubs in R.H.S., such as Block "R" and Thespians. We all know that if we want a job done well and done quickly, we can depend on Shirley.

Shirley was born in Muncie and plans to live in Richmond from now on. She attended Test Junior High School before coming to R.H.S. There's just one more thing about Shirley. Everyone teases her unmercifully about her hair but she wouldn't be Shirley if it were any other way. Personality plus—that's our Prom Queen.

Barbara Shiplett Head Of Register Staff For Fall Semester

**Other Members Also Named:
Journalism I Class
To Assist**

Barbara Shiplett has been named editor-in-chief of the Register for the fall semester, it was announced recently. Alberta Campbell is copy editor and Louise Pilgrim will do the news-editing.

Joan Alkire is in charge of feature stories while the sports editing will be done by Darrel Conder, and Dick Foley. Thespena Dallas is the circulation manager.

Members of Journalism I, who will serve as reporters are Joyce Edwards, Barbara Herbert, Bill Meinsen, Christine Shoemaker, Digna Scudder, Gloria Sparks, and Marlene Williams.

There are more girls in Richmond High School than boys but they don't act like it.

Joyce Ann Edwards Head Of Register For New Semester

**Staff Members Also Named:
Journalism I Class
To Assist**

Joyce Ann Edwards, 12A, has been elected editor of the Register for the spring semester. The selection was made by the out-going staff.

The new staff includes Digna Scudder as news editor; Chris Shoemaker and Sue Sherry, copy editors. Circulation manager is Barbara Herbert, and Gloria Sparks, Marlene Williams and Lois Grau, handle the features. The entire staff is made up of seniors. Glenn Holder is faculty adviser.

Reporters for the paper from the Journalism I class include Don Cox, Edna Elstro, Earl Hartzler, Martha Juerling, Dick Mitchell, Jackie Reed, Joyce Rexrode, Sherman Rexrode, Janet Vess, and Jacqueline Williams.

Pierian To Be Out Next Week

It has been said that everybody wants one. I doubt this. But somebody wants it, I think. The book features the friends of all of us, Oscar and George, and is divided into three sections (the Pierian, not Oscar and George), Mental, Social and Physical. Louise Pilgrim, Cynthia Olsen and Ernie Olson edit these parts of the book, respectively. I've forgotten the name of the editor of the whole thing but he doesn't do anything for the book anyway.

I have been asked the following questions: "When will the book come out?" "Will the Olsen-Ronald feud effect the book?" and "Will the Pierian be excellent?" These are good questions.

FOOTLIGHTS OF '49
ANNUAL TALENT SHOW
HELD IN McGUIRE

Senior Class Play Home Sweet Homicide Delights Four Crowds

Directed by Uldean Hodgin, this tale of teen-agers and murder proved its worth and also the qualities of its cast. The co-leads were well handled by Kenny Brumley as the kid brother with the big appetite, Marijo Keller as the sister with brains and Joyce Rodal as the sister with a boy friend. Also in leading roles were Lois Grau as the reason (Mother) of them all, Bill Hoover and Bill Johnson as the police captain and sergeant respectively. Eileen Long and Ernie Olson were the villainous villains. Also in the production were Jim Riley, Dorothy Zuber, Bill Hunt, Bob Baker, Janet Shepman, Larry Smith, George Baker, Stanley Stackhouse, Betty Fienning, Betty Anne Proctor, Dale Defibaugh and Patty Orr. The tickets were sold by a committee of industrious seniors. It netted 745 dollars and ten cents.

Next to George and Oscar being found in the yearbook, you can also find some nasty mentions of Muncie Central.

Standing (left to right)—Buford Jones, Tom Hotopp, Eugene Brand, Bette Jett, Margaret Dolan, Nancy Van Voorhees, Carla Lohmann, Louise Pilgrim, Harriet Harlin.

Sitting—Cynthia Olsen, Elizabeth Crye, Barbara Herbert, Marijo Keller, Willadeen Stafford, Carolyn Carman, Louise Erbes.

The "J. Carlton" aerial was a Larry Phillips one.

On page 110 "initiated" could mean Y-Teens and Hi-Y and "initials" could mean P.A.

Guy Goens and Dick Olson drew most of the sketches for the Pierian (sooner or later).

Thanks to the "Pal-Item" for many pictures, mostly in our sports section. They're responsible for about half of our action pictures.

Eugene Brand Elected Editor of '49 Quill

The staff of this year's Quill includes Eugene Brand, senior, Editor; Marijo Keller, Program Chairman; Dan Armstrong, Business Manager; and Joyce Ann Edwards, Secretary.

The 1949 Quills are to be placed on sale sometime during April.

The Quill is a magazine composed of original poems, essays, and short stories by club members. Members of the club, besides writing, also help with the typing and editing of copy for publication. Membership is open to all R.H.S. students who wish to write for enjoyment. Mr. Holder is club sponsor.

THE SMARTER 10B's

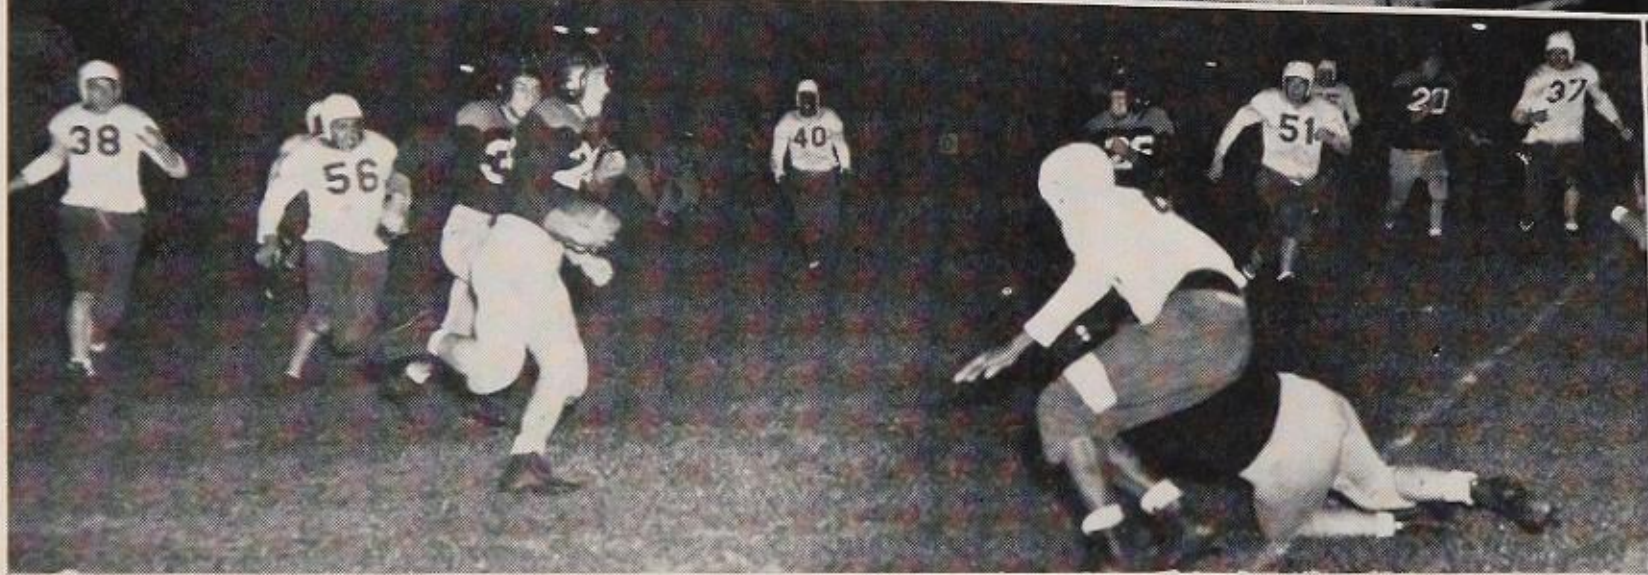

These 10B's are smart because these are they that bought Pierians.

Football Season

If ever a Red Devil Football Team had the fighting spirit it was our team of 1948! Their only assets were a desire to learn and a bubbling contagious enthusiasm. They missed winning the North Central Conference football crown by two points—a season opener loss at Frankfort 7-6, and a 13-12 loss at New Castle. Sandwiched between those two losses was a conquest of Anderson 6-0.

The Broad Ripple Rockets defeated us 26-14 in one of the best games ever played on our field.

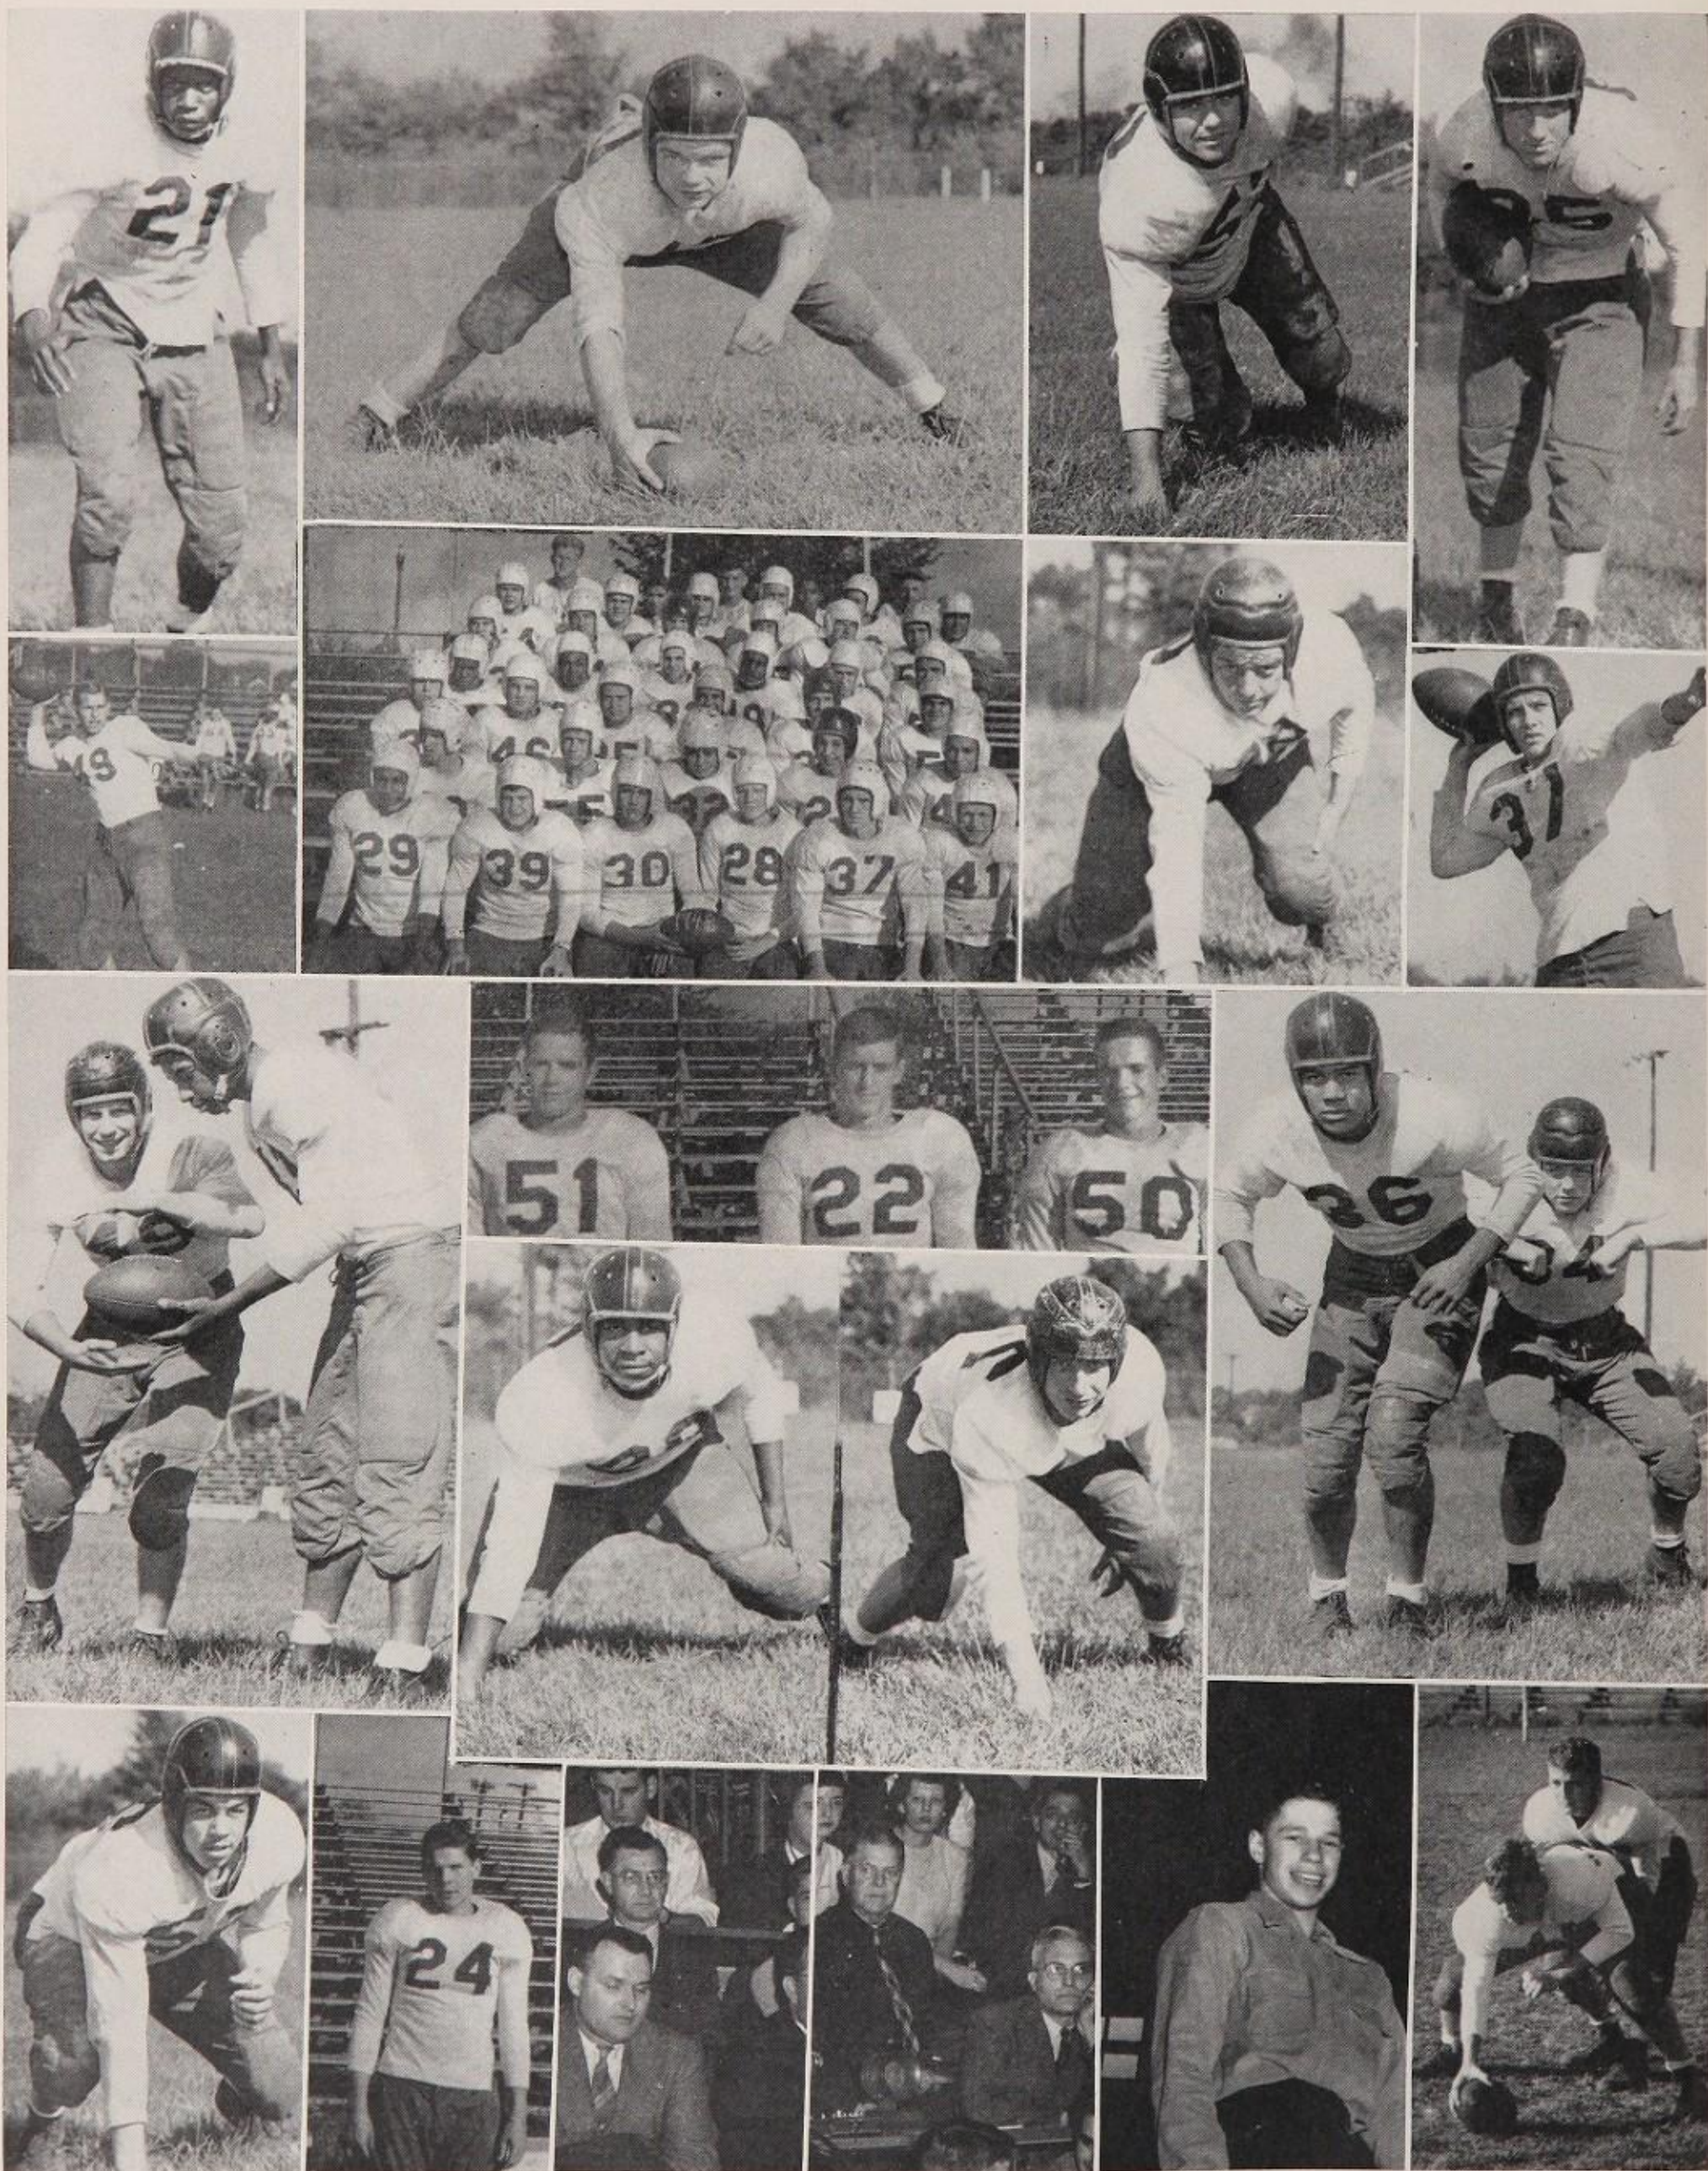

The rain poured and the wind blew when Lafayette Jefferson came down to see us. The half-time score read Lafayette 12, Richmond 0. But, that wasn't all! The Devils fought back and tied the champion Broncos 12-12.

Muncie Central's Bearcats had not been beaten in the Conference for 9 years! At least that was until memorable October 15, 1948. The first part of the game was more or less give and take, but Muncie managed to score at the end of the second quarter. The half ended 6-0 in favor of the Bearcats. Then came the third quarter when the Devils scored on a pass from Huntsman to Williams. Cosby kicked the extra point and Richmond was ahead to stay. The final score 7-6.

The big Tech of Indianapolis team hadn't lost to Richmond but twice in 17 years of play, but our boys downed them 19-7 to finish fourth in the conference.

Sacred Heart (29-6) and Connersville (32-6) both fell before our boys who finished the season with 5 wins, one tie, and 3 losses.

Second Row—Jim Bruck, That's our team, Bob Marley, Herbie Doren.

Third Row—Jim Bruck and Bob Vanlandingham, Jim Cook, Harold Hartzel, Jack Cook, (Hartzell was the best defensive lineman and Jack Cook led the team in tackles), Dave Cook and Bill Loehr.

Center—Percy Cosby, Larry Crockett.

Bottom Row—Roland Starr (best offensive lineman), Dick Myers (second in tackles), Our fans, More fans, (These were taken at a basketball game. How they got in the football section is anybody's guess.), Stan Huntsman (won the most valuable player award and in this picture was too proud to get his clothes dirty), Byron Klute and Howard Ladd (the best blocking back).

"B" Football Team

The "B" Football Team showed surprising talent this year. They beat Anderson twice, split with New Castle, and lost two to Muncie. Most of the team were Sophomores and will be returning next year to help make up the "A" and "B" team squads.

Some of the members showing up well this year were Lester Johnson, Dick Hunt, Gene Strause, Robert Chrisman, and Georgie Tripp.

First Row (left to right)—Deardorf (Mgr.), Hartzler, Strause, Mays, Simpkins, Wagers, Christman, Hunt, Wettig, Washington, Perkins (Mgr.).

Basketball, '48-'49

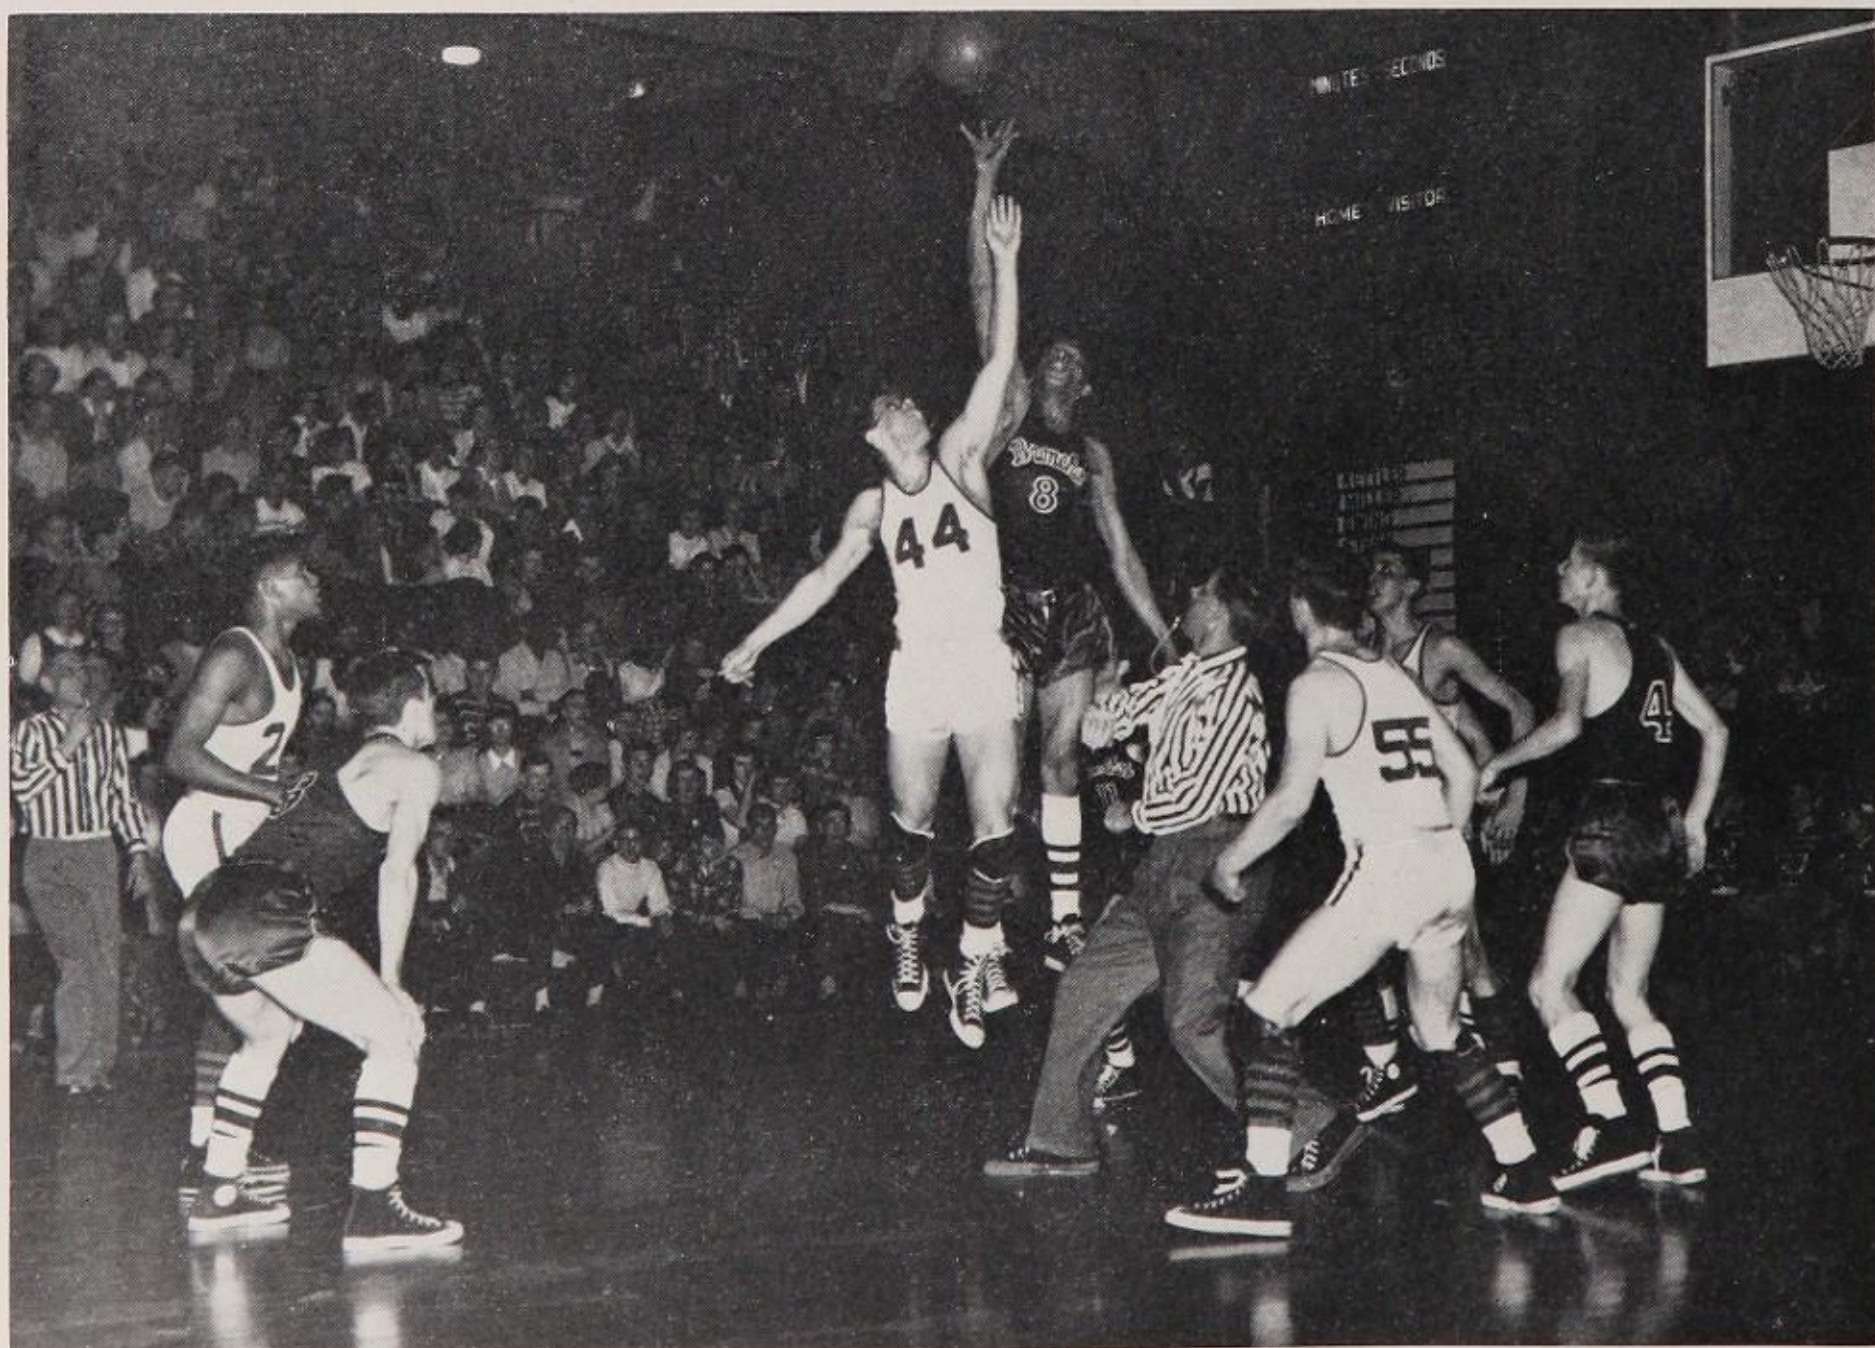

The Richmond Red Devils opened their 1948-49 basketball season with a 62-23 win over the game Liberty Warriors. Next on the R.H.S. list was Rushville who fell at the power of the Devils 55-29. Richmond then left for Muncie where they met the Central Bearcats. The Red and White were on the wrong end of a 45-31 score.

A powerful Gertsmeier Tech of Terre Haute team came to Civic Hall and handed the Devils their second home floor loss in two years. The Bakermen were without the services of Mel Thompson. The New Castle Trojans upset the Red Devils by a one point margin in their next game, the gun ending the battle with a 48-47 score. Back to Richmond and back to victories came the Devils. The R.H.S. squad broke their three game losing streak by bumping off the Connersville Spartans 62-40.

The next games on Richmond's list were in the form of a New Year's Tourney at Civic Hall. This was the first New Year's Tourney to be held in Civic Hall. In the afternoon session, R.H.S. downed South

Second Row—Coach Baker, Lyman Lybault (Athletic Director), Huber, Apple, Richie, Richards, Alexander, Smith (Mgr.), and Etchison (Assistant Coach).

Tourney

In the Sectionals, Richmond's first test was with Hagerstown's Tigers. It was a very close game until the 4th quarter, when the Devils pulled away with a 55-40 win. Next came Whitewater. Our boys pounded the Bears and came through with a 74-35 victory.

In the Baker's Boys third game, we met our life-time foes in form of the Centerville Bulldogs. Centerville and Richmond were co-favorites to cop the tourney. In a rough and tumble battle, in which neither team was very far ahead at any time, R.H.S. broke the tie with Dale Defibaugh's free throws in the closing minutes and stopped the Bulldogs 42-40.

In the championship tilt, Richmond was surprised by Fountain City's Little Giants who led the entire game and broke a string of Richmond Sectional victories. It was Richmond's third loss in the Sectionals in 18 years, the final score being Richmond 34, Fountain City 40.

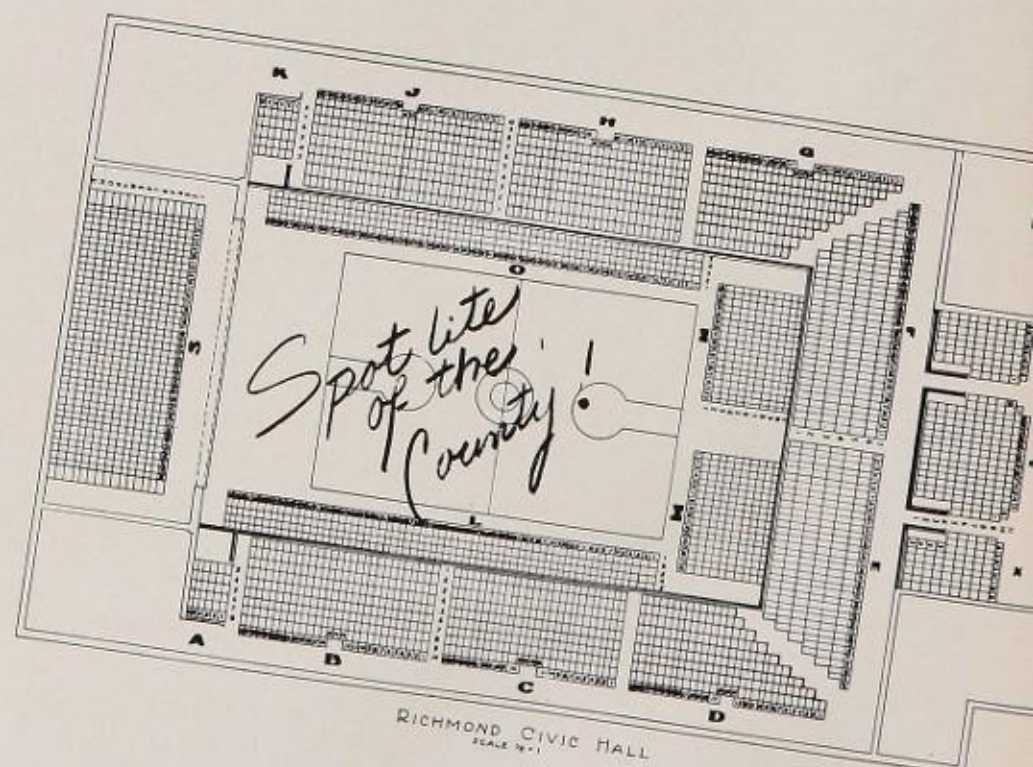

Top—The referee tries a "raising ball" trick while the players stand around in amazement.

Second—That's what they call "Champ?" He was Centerville's mascot. After the game, he went back to the dog house while we went back to our Courthouse.

Third—This is Civic Hall again. Notice all the empty seats. Tickets were a dime a dozen. "It's hard to write this, the strait-jacket cramps my pencil arm."

Track

This is one of the finest track squads that Richmond has seen in many a year. Several R.H.S. records were broken this season. The Devils placed third in the N.C.C. meet which was held here in Richmond. See page 107.

(Continued from page 100)

Side of Ft. Wayne, last year's tourney champs, by a 56-30 score. Muncie Central's Bearcats, very heavily favored to win the tourney, had trouble beating Marion's Giants 44-38. In the consolation game, South Side lost to underdog Marion 41-37. In the championship, Richmond turned the tables and beat the highly regarded Bearcats by eleven points 48-37. This marked the second New Year's Tourney that Richmond had won in four tries.

After the holidays, R.H.S. traveled to Anderson where the Indians, rated first in the state, beat the Devils 44-39. Our next foe was Ft. Wayne Central at Ft. Wayne. This turned out to be a very hotly contested battle which was close all the way. Our Devils came home with a 63-58 win over the Tigers.

The Marion Giants then surprised us by beating the Devils 59-39 at the Marion gym. For the second time in the season, the Devils met New Castle, who later lost in the Semi-finals by two points. This time the Red and White was victorious over the Trojan five by a score of 42-39. Next the Devils had an encounter with the Logansport Berries. The Berries were defeated here 55-38. The Burriss Owls presented the Devils with a 60-48 loss at Muncie. The next game

was with Kokomo at Marion. The Devil-Wildcat tilt marked the return of Bob Ewing and Guy Goens to the line-up after a year's absence. When the final gun had sounded the Wildcats had won by a 52-40 score.

Our next opponent turned out to be Frankfort who was regarded to have the best zone defense in the state. Richmond was the underdog in the contest. When the smoke had cleared, Richmond was way on top with a 24 point victory. The Hot Dogs fell by a 66-42 count.

Tech's Green Wave showed up the following Friday night and they also showed up with a 48-44 win after Richmond had led at the half 31-20. The Devils traveled to Huntington the next day and the ball sailed through the basket. Richmond won 72-58 after hitting an even .400 percentage of their shots. Russell Lee held the scoring honors for this game with a "cool" 30 points, Mel Thompson was next with 26.

Shelbyville's '47 state champs came into Civic Hall with an interesting "?" offense and left with a 39-38 win over the favored Devils. In the season final, the Devils lost to Lafayette Jefferson's '48 state champs by a 48-39 score.

Pictured (left to right)—Ronnie Lunsford, Dick Drudy, Bill Laughlin, Bob Kettler, Dick Walton, and Coach Dudley Johnson.

Cross Country

Coach Dudley Johnson's Cross Country boys opened their second year of running. It was a successful one at that.

The Devils rolled up four wins and one loss in regular season, while placing second in the N.C.C. meet and fourth in the Sectional meet, in which eighteen teams competed.

Absent from next years line-up will be Captain Dick Drudy and Ronnie Lunsford. Prospects for the next season are very bright.

The scores are as follows: (In each case, the team obtaining the fewest number of points was the winner.)

Richmond 44	Burris 30	Richmond 19	Liberty 42
Richmond 23	Broad Ripple 32	Richmond 20	Muncie Central 35
Richmond 24	Tech of Indianapolis 31		

Wrestling

Wrestling is a rather new sport as far as our high school is concerned, and deserves far greater popularity than it is getting. It offers a chance to many boys who cannot star in other sports, for wrestling is different from the others.

Speaking of "star," a boy named Roland Starr didn't lose a single match in his high school wrestling career.

This year's wrestling team, however, was not so lucky, losing two each to Tech and Anderson, but next year's outlook is brighter because of the many sophomore "groaners" on the squad.

First Row (left to right)—Hartzel, Holiday, Moore, Therrien, Tate, Delauter, Perkins, Langley.

Second Row—Brown, Jack Cook, Harvey, Baker, Martin, Dave Cook, Klute, Sawyer.

Third Row — Coach Tiernan, Deardorf, Thompson, Ogle, Starr, Davis, Myers, Cosby.

First Row (left to right)—Thompson, Harvey, McClain, John Cook, Hartzell, Gause, Cosby, Zeyen, Stegman.

Second Row—Reid, Hartzler, Maule, Cully, Byrket, Fox, Jim Cook, Lee, Foley, Hufachie.

Third Row—Coach Sponsler, Wissler, Coulter, Flynn, Dorsey, Resetar, Wettig, Miller, Bishop.

Baseball Team

Coach Palmer Sponsler's boys went after their third N.C.C. championship in a row. A little hard luck hit our boys and their championship dream failed to materialize. However, you can be proud of the fighting team of '49.

Golf Team

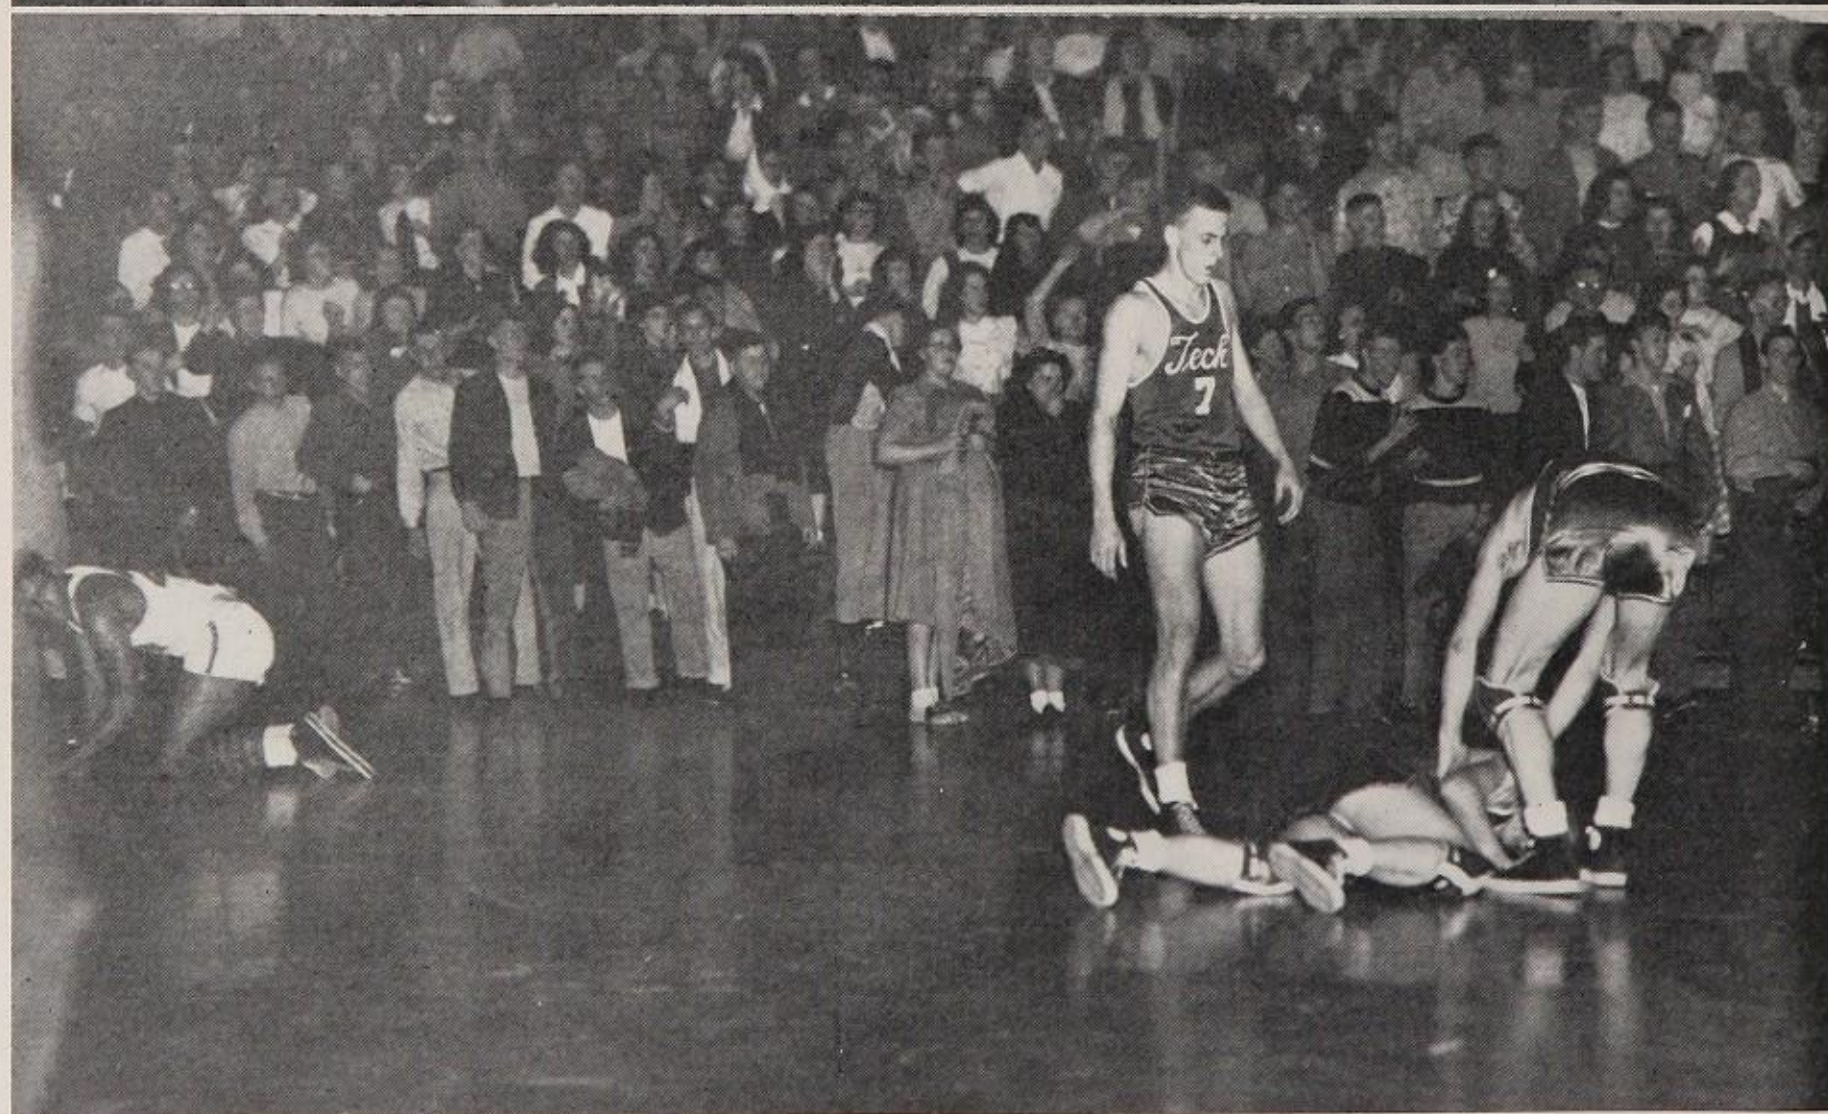

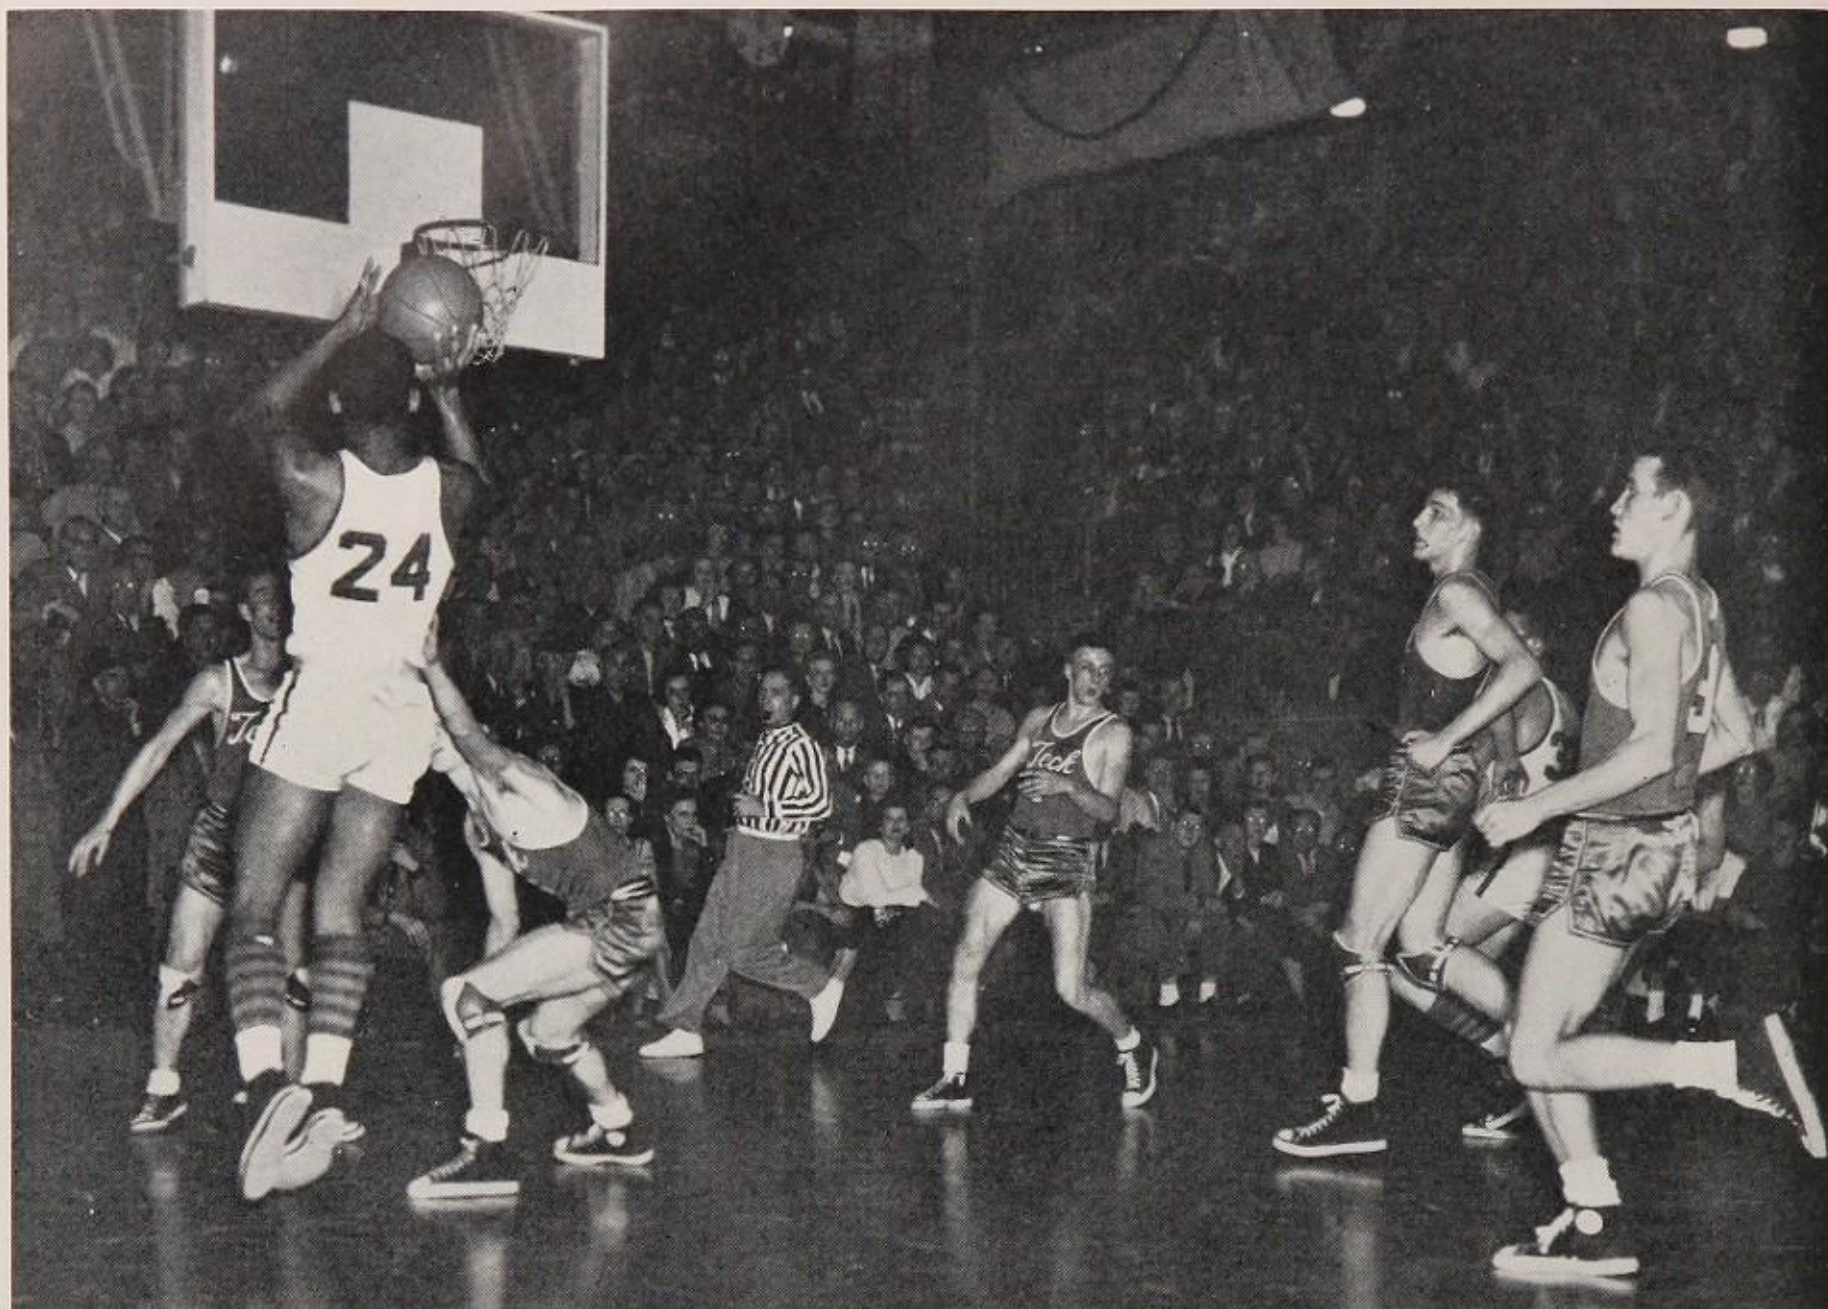

At the time this was written, the golf team had not won a match. They were seventh in the N.C.C.

The outlook for next year, however, is good for of the eight boys on the golf team, only two are seniors.

First Row (left to right) — Klieman, Dicken, Hankosky, Ayers, Dotson.

Second Row—Coach Baker, Kelly, Wertenberger, Lochr, Kennedy and Brehm.

Second Row—Dick (screamer) Opel, Bill (Jumpin') Johnson, Jim (I'm not ready) Alexander, and Jim (I got teeth, too) Gehr.*

Tennis

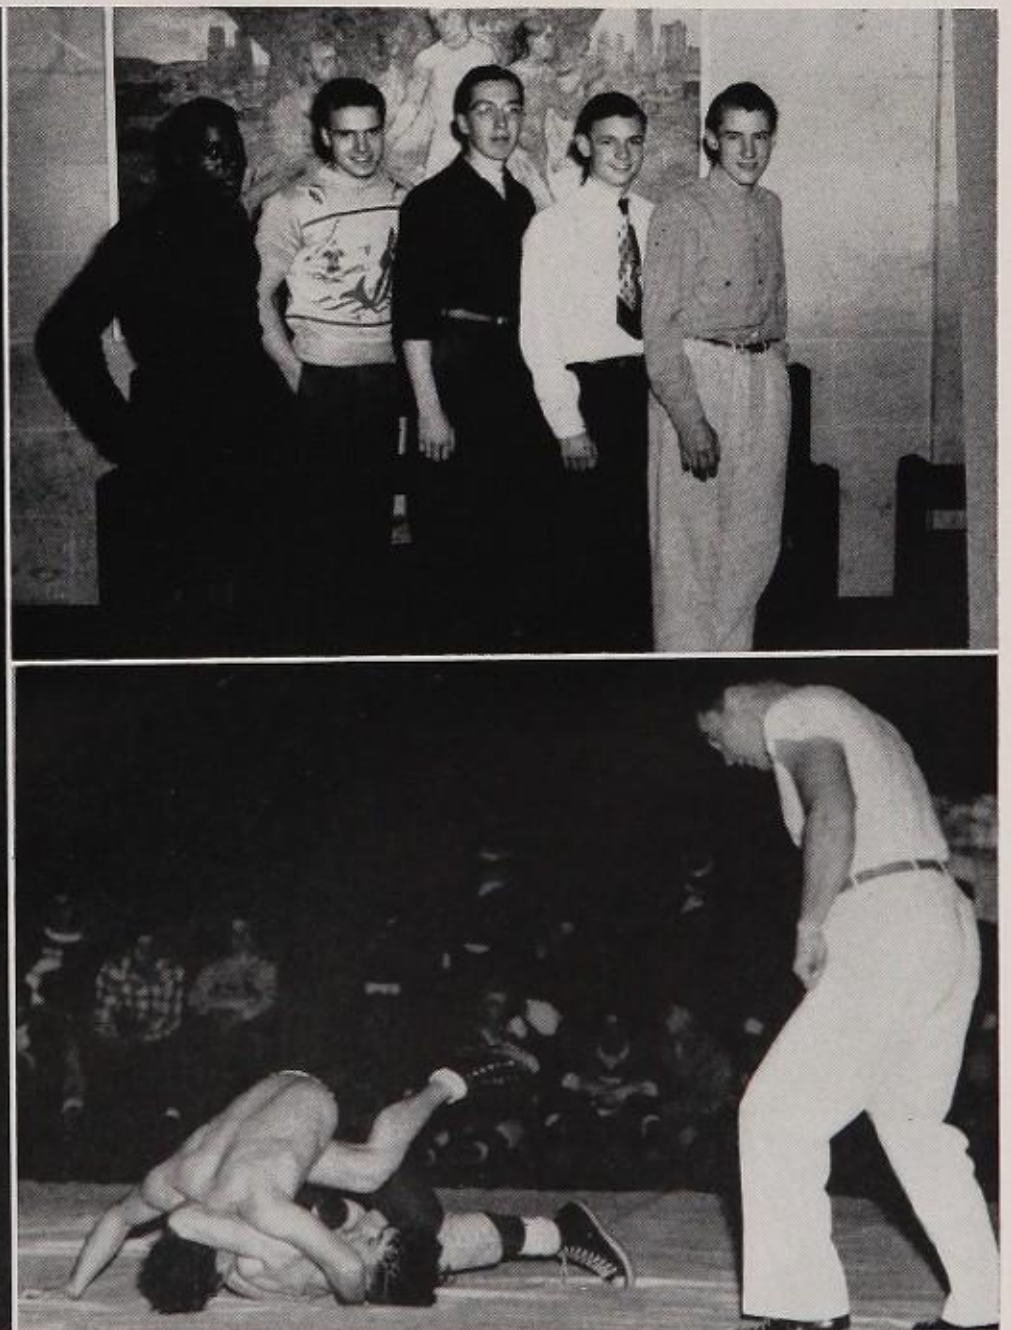

This is Coach Chase's third season for tennis.

They have had meets with many great teams all over the state and started winning a few after a three year stalemate of the nets.

Track

The R.H.S. thinlies opened their season with a 92-17 win over Greenville. Then Anderson, who has held the state track championship for the past two years came here for a 62-47 win over R.H.S. Later Anderson copped the Muncie relays. Richmond came in 7th, placing 3rd, 4th, or 5th in 8 of the 10 events in which we were entered. Richmond then scored with a 62-51 win over Broad Ripple of Indianapolis, and a 84-25 victory over Connersville. During the meet with Broad Ripple, Herbie Doren and Guy Goens both broke the high jump record with leaps of 5' 9", and later set it at 5' 11 $\frac{1}{4}$ ". We were honored by being chosen to be host for the North Central Conference meet, and those who saw it, saw Anderson's John Stayton unofficially break the mile run record in 4 min. 20.5 seconds. Anderson won the meet with Tech of Indianapolis second, and Richmond third. In another meet Muncie Central received the worst beating in the two school's history (84-25). The Bartzmen then won a three-way meet from New Castle and Hagerstown, during which our Bob Kettler broke the 880 record at 2:04.9. Richmond traveled to Rushville to win the Sectional and qualify 13 men and both relay teams for the Regionals, where Speres qualified in the 220.

Ernie now shows George and Oscar through Civic hall.

"What are they?" asks George.

"What"—starts Ernie, "Oh those are girls."

(2)

"That's right" remembered Oscar, "you have sexes here."

"We don't" explained George. "You don't?" asked Ernie.

"Naw, It's much better there."

(3)

"You see" broke in Oscar, "If we make a mistake and go into the wrong dressing room, nobody is embarrassed."

(4)

"See how much better it is" says George.

"It sounds all right" began the sports editor, "but somehow I don't quite see—"

Girls' Sports

The girls of R. H. S. are taking an active part in more and more sports every year. On the following page are listed the sports which the girls participated in the most, in '49.

Volley ball ranks first on the list, and is the sport in which practically all the girls take part. All six gym classes participated in a tournament, which was supervised by Miss Raisor. Ruth Holley's team from the second hour gym class, won all its games and came out the champions.

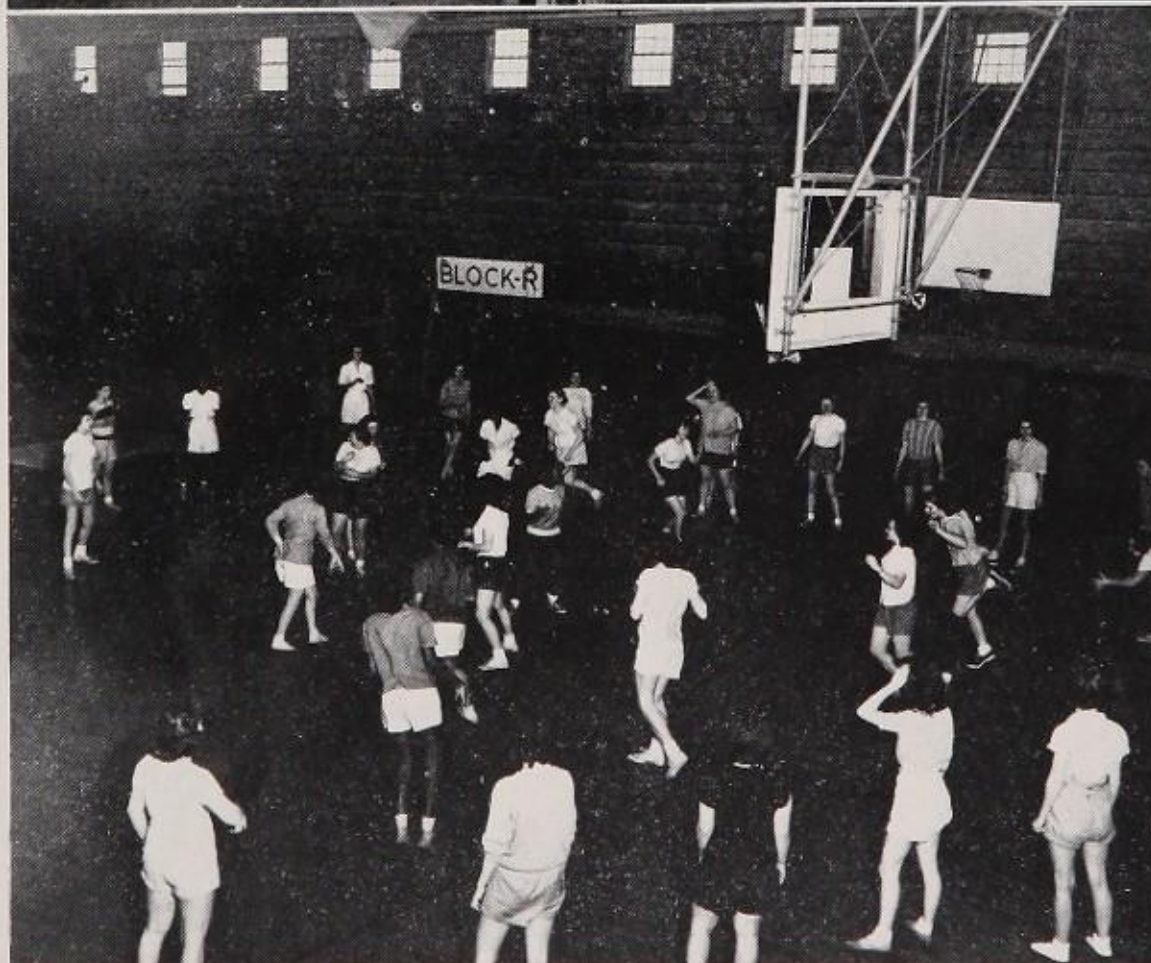

Another sport in which many of the girls are active is Bowling. Janet Phenis' team won the championship for '49. Her team won 25 games and lost 11. Miss Stinson is the sponsor.

Then we always have Hockey and Soccer, which are games played in the fall. Hockey is the more popular of the two. All the gym classes participate in this game, and many girls join the Hockey team, which generally plays after fifth hour on the soft-ball field. This year in Hockey, however, . . .

The game played most in the Spring, and during warm weather is Softball. Tournaments are held in each of the gym classes, with all of the teams competing, until one team has beaten all the rest and becomes the champion.

The girls have also been taking part in Ping Pong tourneys. This is the first time in several years that they have taken an active interest in this sport.

A few side sports, which the girls take part in are: Shuffle-board, Ring Toss, Swimming, and Badminton.

But this is not all

There are really four vectors of energy in our school,
Already you know of three.
The last of these is Spiritual.
The least stressed, but most important of these is Spiritual.
When out into life's stygian paths lead we,
Our hearts should remember well this side—
The messages of our speakers, well thought, well delivered and beneficial,
Initialed devotions and devotions over the initials.

All things must come to an end, and here is ours.

George and Oscar must go back to the planet of Dnomhcir.

'Bye George.

'Bye Oscar.

And, so as the sun is sinking into the beercan - adorned boulevard underpass, they say Aloha to beautiful li'l ol'e R.H.S.

And they are gone—

Pierian Staff

I cannot say it was fun, but it was educational. That's the trouble with this school—too much education. What this school does need is more yearbooks (and a swimming pool). There are a lot of new things in this yearbook and even more old ones. Speaking of old ones, I want to thank the faculty for giving us the freedom imperative to the production of a yearbook. I also wish to thank the student who didn't ask me when the Pierian would be out, my staff that could work when it tried, Mr. Peacock, Mrs. Davenport, Mrs. Lane, Mr. Loewer, Mr. Hiatt, Mr. Veregge, Miss Sutton, and all those whose cooperation meant Pierian, '49.

About the staff, Mr. Peacock wanted a small working staff, and I wanted a large, specialized one. We both got our wishes.

I wish to apologize to Larry Phillips, who will always claim I took his best pictures and cut them down to nothing, to Miss Bass, for yelling at her, to my teachers for never doing any work, and also to a guy named Pope.

In closing, I quote another editor—"Would that my adversary had written this book."
